Records shall be kept of all proceedings, and the records shall be public and kept at the office of the county clerk.

(4) The board shall meet at least once a month and may meet more frequently if necessary. The board shall stay in session on election days to correct clerical errors and rule on questions regarding voter registration and may make to the election officers such certifications as may be necessary. On election days, appeals may be made to a circuit judge, but a ruling of the board shall be reversed only upon a finding that it was arbitrary and capricious.

(5) In counties containing cities of the first and second class, the board may employ, on a bipartisan basis, a staff sufficient to carry out the duties assigned to the board.

Section 70. KRS 117.045 is amended to read as follows:

(1) The county board of elections shall in the manner prescribed by this section, not later than September 20 each year, appoint for each precinct in the county two (2) judges, one (1) clerk and one (1) sheriff of election. They shall serve in all elections held in the county during the year, except as provided in KRS Chapter 242.

(2) The county executive committees of the two (2) political parties having representation on the ***Kentucky Election Commission*** [~~State Board of Elections~~] may, on or before September 15 each year, designate in writing to the county board of elections a list of not less than four (4) names for each precinct; except that, in any precinct where there are not as many as four (4) persons possessing the qualifications of an election officer belonging to the political party filing the list, a less number may be designated. If there are two (2) or more contending executive committees of the same party in any county, the one (1) recognized by the written certificate of the chairman of the state central committee of the party shall be the one (1) authorized to submit the lists. The lists shall contain the full name, address, phone number and Social Security number, if available, of each person listed. The lists shall be accompanied by a signed statement from each person stating that he is willing to serve, has not failed to serve without excuse in the past, and has not been convicted of an election law offense. The ***Kentucky Election Commission*** [~~State Board of Elections~~] shall prescribe by administrative regulation the form of the list.

(3) The Attorney General shall notify each county political party chairman of the duties of the party.

(4) If lists are submitted, one (1) judge at each voting place shall be selected from each list, and the sheriff shall be chosen from one (1) list and the clerk from the other. If no lists are submitted, the two (2) members of the county board of elections who are appointed by the ***Kentucky Election Commission*** [~~State Board of Elections~~] may submit lists; and the county board shall select the sheriff and one (1) judge from one (1) list and the clerk and the other judge from the remaining list. If no lists are submitted, the county board shall select the sheriff and one (1) judge from the membership of one (1) party and the clerk and the other judge from the membership of the remaining party.

(5) If, after all reasonable efforts have been made, the county board of elections is unable to find two (2) qualified officers for each precinct who are affiliated with the two (2) political parties having representation on the ***Kentucky Election Commission*** [~~State Board of Elections~~], the county board shall submit a list of emergency election officer appointments to the ***commission*** [~~State Board of Elections~~]. The county board shall also present, in writing, its efforts to recruit and appoint election officers as prescribed in subsection (4) of this section. The list of emergency appointments may include qualified voters not affiliated with the two (2) parties represented on the ***commission*** [~~state board~~]. The ***commission*** [~~state board~~], after its review, may approve any or all of the emergency appointments submitted by the county board or may direct the

county board to take other action. Any emergency appointment shall be made for the next ensuing election only.

(6) The county board of elections shall, within ten (10) days before the next ensuing election, give each election officer written notice of his appointment. The board may direct the sheriff of the county to serve the notice of appointment, if it deems the action is necessary.

(7) The ***Kentucky Election Commission*** [~~State Board of Elections~~] may require the county board of elections to submit its list of precinct officers for review. The ***commission*** [~~State Board of Elections~~] may, after a hearing, direct the removal of any election officer who the board finds, based upon clear and convincing evidence, would not fairly administer the state election laws. The ***commission*** [~~state board~~] shall replace any officer so removed. The ***commission*** [~~board~~] shall provide for the method and manner of the hearing by administrative regulation.

(8) An election officer shall be a qualified voter of the precinct; except that, where no qualified voter of the required political party is available within the precinct, the election officer shall be a qualified voter of the county. An election officer shall not be a candidate or the spouse, parent, brother, sister or child of a candidate who is to be voted for at the election. An election officer shall not have changed his voter registration party affiliation for two (2) years prior to his appointment. An election officer may be removed, for cause, at any time up to five (5) days before an election. Vacancies shall be filled in the same manner as provided for original appointments and the person appointed to fill the vacancy shall be of the same political party as his predecessor, except for emergency appointments made as provided in subsection (5) of this section.

(9) If the county board of elections fails to appoint election officers, or if any officer is not present at the precinct at the time for commencing the election, or refuses to act, and if no alternate is available, the officer in attendance representing the political party of the absentee shall appoint a suitable person to act in his place for that election. If both representatives of the same political party are absent, qualified voters present affiliating with that party shall elect, viva voce, suitable persons to act in their places.

(10) Each election officer shall be paid a minimum of forty-nine dollars ($49) per day, and [~~such~~] an additional amount as compensation [~~as may be~~] determined by the county board of elections, with the approval of the governing body which would be responsible for funding the election officers' pay, for each election in which the election officer serves, to be paid by the county. For delivering the election packets to the polls, the precinct election officers shall receive in addition the mileage reimbursement provided for state employees[~~;~~] for each mile necessarily traveled in the delivery of the packets to the polls, or a flat fee if the fee equals or exceeds that amount. For delivering election returns, the two (2) judges shall receive in addition the mileage reimbursement provided for state employees for each mile necessarily traveled from the place of voting to and from the place of delivery, or a flat fee if the fee equals or exceeds that amount. The fee paid to the two (2) judges for delivering election returns shall be paid by the county.

Section 71. KRS 117.055 is amended to read as follows:

(1) Each county shall be divided into election precincts. The political territory having the least area within the county's boundaries, with the exception of the total area of a city or town contained within such boundaries, shall be designated an election precinct. Each election precinct shall be composed of contiguous and, as nearly as practicable, compact areas having clearly definable boundaries and wholly contained within any larger district. The county board of elections shall have the authority to draw precinct lines so as to enable more than one (1) precinct to vote at one (1) location. The county board of elections shall review election precinct boundaries as often as necessary. Without exception, they shall review the boundaries of all election precincts exceeding seven hundred (700) votes cast in the last regular election prior to each primary election. Consideration to the division of ***the*** [~~said~~] election precincts should be based on the anticipated growth factor within the specified boundaries; however, the county board of elections shall not be prohibited from dividing election precincts in excess of seven hundred (700) votes cast in the last regular election or less than seven hundred (700) votes cast in the last regular election if they elect to do so. No election precinct shall be created, divided, abolished, or consolidated or the boundaries therein changed prior to any primary election to comply

with the provisions of this section later than the last date prescribed by election law generally for filing notification and declaration forms with the county clerk or Secretary of State. No election precinct shall be created, divided, abolished, or consolidated or the boundaries therein changed prior to any general election to comply with the provisions of this section later than the last date prescribed by election law generally for filing certificates or petitions of nomination with the county clerk or Secretary of State. The county board of elections shall designate the name or number and the boundaries of the election precincts. Each precinct shall contain, as nearly as practicable, an equal number of voters, based on the number of registered voters in the county. A map and listing of the exact election precinct boundaries shall be filed by the county board of elections with the ***Kentucky Election Commission*** [~~State Board of Elections~~], and any changes in boundaries thereafter made shall also be filed with the ***commission*** [~~State Board of Elections~~]. A copy of this map indicating all precinct boundaries within the county shall be included in the election supplies of each precinct.

(2) If the county board of elections fails to perform the duty herein required, [~~then~~] the ***Kentucky Election Commission*** [~~state board of elections~~] or any citizen and voter of the county may apply to the Circuit Court of the county for a summary mandatory order requiring the board to perform this duty. Appeals may be taken to the Court of Appeals by either party.

(3) The county board of elections shall coordinate all precinct boundary changes with the affected school board, magisterial, and municipal boundaries.

Section 72. KRS 117.056 is amended to read as follows:

(1) The provisions of KRS 117.055 notwithstanding, the county boards of elections shall maintain the boundaries of election precincts from July 15 of each year ending in "0" until the termination of the next following regular session of the General Assembly or until the termination of any extraordinary session of the General Assembly which enacts congressional and state legislative redistricting legislation following receipt of the decennial U. S. Census of Population, whichever shall occur at the earlier date.

(2) If any county board of elections fails to perform the duty placed upon it by subsection (1) of this section, the ***Kentucky Election Commission*** [~~State Board of Elections~~] shall apply to the Circuit Court of the county for a writ of mandamus requiring the county board to perform this duty.

Section 73. KRS 117.079 is amended to read as follows:

The provisions of KRS 117.085 and 117.086 notwithstanding, the ***Kentucky Election Commission*** [~~State Board of Elections~~] shall, as circumstances warrant and with the concurrence of the Attorney General, promulgate necessary administrative regulations to preserve the absentee voting rights of residents of Kentucky who are military personnel serving on active duty outside the United States and other residents of Kentucky residing outside the United States.

Section 74. KRS 117.086 is amended to read as follows:

(1) The voter returning his absentee ballot by mail shall mark his ballot, seal it in the inner envelope and then in the outer envelope, and mail it to the county clerk as shall be provided by this chapter. The voter shall sign the detachable flap and the outer envelope in order to validate the ballot. In order to be counted, the ballots shall be received by the clerk by at least the time established by the election laws generally for the closing of the polls, which time shall not include the extra hour during which those voters may vote who were waiting in line to vote at the scheduled poll closing time.

(2) Any voter who ***will*** [~~shall~~] be absent from the county on election day, but who does not qualify to receive an absentee ballot by mail under the provisions of KRS 117.085, [~~and~~] all members of county boards of elections, and precinct election officers qualified to vote by absentee ballot under the provisions of KRS 117.085, shall vote at the main office of the county clerk prior to the day of election. The clerk may provide

for ***the*** [~~such~~] voting by absentee ballot or may use the voting equipment in general use in the county either at the precinct or the equipment as may be used to tabulate absentee ballots, except as follows:

(a) Any voter qualifying to vote in the clerk's office as provided by this subsection who receives assistance to vote shall use the typed inner and outer envelopes as required in subsection (1) of this section.

(b) Any voter qualifying to vote in the clerk's office as provided by this subsection whose qualifications are challenged by any clerk or deputy shall vote in the manner required in subsection (1) of this section and shall complete an "Oath of Voter" affidavit which shall be inserted in the outer envelope along with the inner envelope.

(3) If the clerk uses general voting equipment or absentee ballot tabulating equipment as provided for in subsection (2) of this section, each voter casting his vote at the clerk's office shall sign an "Absentee Ballot Signature Roster."

(4) The clerk shall designate a location within his office where the ballots shall be cast secretly. In counties containing a city of the first or second class, the county clerk may establish locations other than his main office in which the voters may execute their ballots. Public notice of the locations shall be given pursuant to KRS Chapter 424 and similar notice by mail shall be given to the county chairmen of the two (2) political parties whose candidates polled the largest number of votes in the county at the last general election.

(5) The ***Kentucky Election Commission*** [~~State Board of Elections~~] shall promulgate administrative regulations to provide for casting ballots as provided in subsection (2) of this section.

(6) The clerk shall deposit all of the returned absentee ballots in a locked ballot box immediately upon receipt without opening the outer envelope. The ballot box shall be locked with three (3) locks. The keys to the box shall be retained by the three (3) members of the central absentee ballot counting board, if one is appointed, or by the members of the board of elections, and the box shall remain locked until the ballots are counted. All voting equipment on which ballots are cast as permitted in subsection (2) of this section shall also remain locked and the keys shall be retained by the three (3) members of the central absentee ballot counting board, if one ***(1)*** is appointed, or by the members of the board of elections, and the equipment shall remain locked until the ballots are counted.

(7) The clerk shall keep a list of all persons who return their mail ballots or cast their ballots in the clerk's office and send a copy of that list to the ***Kentucky Election Commission*** [~~state board~~] after election day. The county clerk and the Secretary of State shall keep a record of the number of absentee ballots cast in any election as a part of the official returns of the election.

Section 75. KRS 117.0863 is amended to read as follows:

(2) Any person who assists another person in voting by use of an absentee ballot shall complete the voter assistance form required by KRS 117.255.

(3) The detachable flap on all absentee ballots shall have printed upon it the voter assistance form required by KRS 117.255, as well as a notice of the penalty for failure to complete the form.

(4) The ***Kentucky Election Commission*** [~~State Board of Elections~~] shall promulgate a voter assistance form which shall be in a form acceptable to the Attorney General.

Section 76. KRS 117.087 is amended to read as follows:

(1) The challenge of an absentee ballot shall be in writing and in the hands of the county clerk before 3:00 p.m. on election day.

(2) The county board of elections shall count the absentee ballots. The board may appoint a central absentee ballot counting board of not less than three (3) members, who shall be qualified voters and no more than two-thirds (2/3) of whom shall be members of the same political party, to count the ballots at the direction of the county board of elections.

(3) Beginning at 3:00 p.m. on election day, the board shall meet at the clerk's office to count the absentee ballots. Candidates or their representatives shall be permitted to be present. The county board of elections shall authorize representatives of the news media to observe the counting of absentee ballots. The board shall open the boxes containing absentee ballots and remove the envelopes one (1) at a time. As each envelope is removed, it shall be examined to ascertain whether the outer envelope and the detachable flap are in proper order and have been signed by the voter. All unsigned absentee ballots shall be rejected automatically. The chairman of the county board of elections shall compare the signatures on the outer envelope and the detachable flap with the signature of the voter that appears on the registration card. If the outer envelope and the detachable flap are found to be in order, the chairman shall read aloud the name of the voter. If the vote of the voter is not rejected on a challenge then made as provided in subsection (4) of this section, the chairman shall remove the detachable flap and place the inner envelope unopened in a ballot box which has been provided for the purpose.

(4) When the name of a voter is read aloud by the chairman, the vote of the voter may be challenged by any board member or by the written challenge provided in subsection (1) of this section and the challenge may be determined and the vote accepted or rejected by the board as if the voter was present and voting in person; but if the outer envelope and the detachable flap are regular, and substantially comply with the provisions of this chapter, they shall be considered as showing that the voter is prima facie entitled to vote. If the vote of a voter is rejected pursuant to the challenge, the inner envelope shall not be opened, but returned to the outer envelope upon which the chairman shall write on the envelope the word "rejected".

(5) After the challenges have been made and all the blank inner envelopes have been placed in a ballot box, the box shall be thoroughly shaken to redistribute the ballots in the box. The board shall open the ballot box, remove the absentee ballots from the inner envelopes, and count the ballots.

(6) The board shall unlock any voting equipment used to cast ballots in the clerk's office as provided for in KRS 117.086 and a total of all absentee ballots shall be made and recorded on the form provided by the ***Kentucky Election Commission*** [~~State Board of Elections~~].

(2) The county board of elections shall provide special training to all election officers and alternates regarding their duties and the penalties for failure to perform. Election officers, including alternates, shall attend the training session, unless excused by the county board of elections for reason of illness or other emergency. Section 78. KRS 117.225 is amended to read as follows:

(1) Any person desiring to vote on election day shall give his name and address to the clerk of the election. If the person's name is listed on the precinct list furnished by the ***Kentucky Election Commission*** [~~state board of elections~~] as provided in KRS 117.025 and if no challenge is made, he shall sign his name on the precinct list in the space opposite his printed name. The voter's signature shall constitute his verification that he is a properly registered and qualified voter. The voter shall then retire alone to cast his vote on the voting machine. The county board of elections may provide to each precinct the original registration form of each voter entitled to vote in that precinct. These forms shall be used to compare signatures in those precincts to which the forms are provided.

(2) If supplemental paper ballots are used, as provided in KRS 118.215, after voting on the voting machine the voter shall take the supplemental paper ballot with the stub intact and retire alone to the voting booth provided for voting paper ballots. After voting the supplemental paper ballot, the voter shall remove the numbered stub, hand the stub to an election official, and deposit the voted ballot in the locked ballot box.

Section 79. KRS 117.245 is amended to read as follows:

(1) The fact that a person is registered ***shall constitute*** [~~constitutes~~] only prima facie evidence of his right to vote and ***shall*** [~~does~~] not prevent the officers of any election from refusing to allow him to vote for cause.

(2) When the officers of an election disagree as to the qualifications of a voter or if his right to vote is disputed by a challenger, the voter shall sign a written oath as to his qualifications before he is permitted to vote. The oath shall be in ***the*** [~~such~~] form [~~as~~] prescribed by the ***Kentucky Election Commission*** [~~state board of elections~~] and twenty (20) printed copies shall be included in the election supplies of each precinct.

(3) The subscribed oaths shall be returned to the county clerk who shall deliver them to the Commonwealth's attorney.

(4) The Commonwealth's attorney and county attorney shall investigate each of the oaths and cause to be summoned before the grand jury the witnesses they or either of them, deem proper, and the grand jury shall make a thorough investigation of all votes so cast, and return indictments against all persons illegally voting. The foreman of the grand jury shall return to the county clerk all of the oaths upon which no indictments are found. The clerk shall safely keep them as a part of the records of his office, and shall produce any or all of them, when required, to any subsequent grand jury.

Section 80. KRS 117.255 is amended to read as follows:

(1) The voter shall be instructed by the officers of election, with the aid of the instruction cards and the model, in the use of the machine, if the voter so requests.

(2) Except for those voters who have been certified as requiring assistance on a permanent basis, no voter shall be permitted to receive any assistance in voting at the polls unless he makes and signs an oath that, by reason of inability to read English, or by reason of blindness or other physical disability he is unable to vote without assistance. The oath shall be upon a voter assistance form prescribed by the ***Kentucky Election Commission*** [~~State Board of Elections~~]. All persons assisting a voter shall execute the voter assistance form.

(3) Upon making and filing with the judges the oath, the voter shall retire to the voting machine, with the judges, and one (1) of the judges shall, in the presence of the other and the voter, operate the machine as the voter directs. The disabled person applying to vote may, if he prefers, be assisted by a person of his own choice who is not an election officer, except that the voter's employer, an agent of that employer, an officer or agent of that voter's union, or a candidate shall not assist the voter, nor shall a person assist more than two (2) voters on the date of any primary, regular, or special election.

(4) The clerk shall swear the person accompanying the disabled or blind voter to operate the voting machine in accordance with the directions of the disabled or blind voter, and the disabled or blind voter and the person sworn shall enter the voting booth and the one sworn shall operate the machine for the disabled or blind voter as he directs.

(5) Voters who require assistance on a permanent basis due to blindness or other physical disability may apply to the county board of elections for certification. Application may be made when registering to vote or completing the voter assistance form by indicating the reason for obtaining assistance is permanent. The county board of elections shall determine whether the applicant requires assistance on a permanent basis. The county board of elections shall notify the county clerk who shall enter such certification on the voter's registration record. The ***Kentucky Election Commission*** [~~State Board of Elections~~] shall cause the precinct roster of voters to indicate those voters who are certified to receive assistance permanently without signing voter assistance forms at the precinct.

(6) Voting booth shall mean an area in which a voter casts his vote which is designed to insure the secrecy of the vote. No voter shall be assisted under this subsection unless the judges and the sheriff of election are satisfied of the truth of the facts stated in the oath. The voter shall state in his oath the specific physical disability that requires him to receive assistance.

(7) No voter shall be permitted to occupy the voting machine more than two (2) minutes if other voters are waiting to use it.

(8) In primary elections, before a voter is permitted to use the voting machine, a judge of the election shall adjust the machine so that the voter will only be able to vote for the persons for whom the voter is qualified to vote.

(9) If the machine is so constructed as to require adjustment after one (1) person has voted before another person may vote, the judges of election shall adjust it after each person has voted.

(10) The election officers shall constantly maintain a watch in order to prevent any person from voting more than once.

(11) If supplemental paper ballots have been approved, as provided in KRS 118.215, the voter shall vote his ballot in privacy in a booth provided for that purpose by the county clerk. If the voter spoils his ballot, he shall return the spoiled paper ballot to an election official who shall stamp the ballot "Spoiled," initial and place the spoiled ballot in an envelope provided for that purpose. The voter shall be issued a second supplemental paper ballot. Upon completion of voting, the voter shall remove the numbered stub from the ballot, hand the stub to an election official, and deposit the voted ballot in the locked ballot box in the presence of precinct election officials.

(12) The election sheriff shall be responsible for reporting violations of this section.

The certification shall be filed within ninety (90) days after the election. Upon receipt of the certification and upon being satisfied as to the correctness thereof, the ***commission*** [~~state board of elections~~] shall issue its warrant upon the State Treasurer in favor of the county treasurer for the amount of two hundred fifty-five dollars ($255) for each precinct in the county. All sums paid under this section shall be in addition to any sum paid by the state for ballot paper in elections.

(3) Payments to any county under the provisions of subsection (2) of this section shall be terminated if [~~and whenever~~] it fails to renew a lease, contract, or lease and option with the State Property and Buildings Commission executed in connection with the acquisition of voting machines by the commission for the use of ***the*** [~~such~~] county; and payments to any county shall be terminated ***if the*** [~~whenever such~~] county fails to pay any part of the rentals required for any effective period of the lease.

(2) The county clerk of any county may petition the ***Kentucky Election Commission*** [~~State Board of Elections~~] to allow a new voting system in the county if an emergency exists. The petition ***shall*** [~~must~~] state the reasons why the present equipment is inadequate. Within sixty (60) days of the receipt of the petition,

the ***commission*** [~~State Board of Elections~~] shall notify the county clerk whether the permission to obtain a new voting system is granted or denied. The letter of approval shall be presented to the fiscal court for its approval before any new voting system is acquired.

(3) Any electronic voting system not approved by the ***Kentucky Election Commission*** [~~State Board of Elections~~] shall not be used at any election.

(8) If it is of a type that registers the vote electronically, the voting system shall permit each voter to change his vote for any candidate or upon any question appearing on the official ballot up to the time that he takes the final step to register his vote and to have his vote computed. If it is of a type that uses paper ballots or ballot cards to register the vote and automatic tabulating equipment to compute such votes, the system shall provide that a voter who spoils his ballot may obtain another ballot;

(9) Is suitably designed for the purpose used, is constructed of a durable material, and is safely transportable;

(10) Is so constructed that a voter may readily learn the method of operating it;

(11) If the voting system is of a type which provides for the computation and tabulation of votes at the precinct level, the automatic tabulating equipment shall include the following mechanisms or capabilities:

(a) A public counter or printed register, which shall show during any period of operation the total number of ballots entered for computation and tabulation;

(b) A lock, or locks, either mechanical or under program control, by the use of which all operation of the tabulation element of the automatic tabulating equipment is absolutely prevented immediately after the polls are closed or where the tabulation of votes is completed;

(c) It shall be so constructed and controlled that, during the progress of voting, it shall preclude every person from seeing or knowing the number of votes registered for any candidate or question; and it shall preclude every person from tampering with the tabulating element;

(d) If the number of choices recorded for any office or on any question exceeds the number for which the voter is entitled to vote, it shall reject all choices recorded on the ballot for that office or question;

(e) It shall be equipped with an element which generates a printed record at the beginning of its operation which verifies that the tabulating elements for each candidate position and each question and the public counter are all set to zero and with an element which generates a printed record at the finish of its operation of the total number of voters whose ballots have been tabulated, the total number of votes cast for each candidate whose name appears on the ballot, and the total number of votes cast for, or against, any question appearing on the ballot;

(f) It shall be so designed that only those ballots which have write-in choices shall be subject to handling after the voter has cast his ballot; all such ballots shall be handled only at the close of the polls and only by the election officials at the precinct who shall visually verify and tabulate the write-in votes cast;

(12) If the voting system is of a type which provides for the computation and tabulation of all votes at a central counting center, the central automatic tabulating equipment shall include the following mechanisms or capabilities:

(a) It shall be constructed so that every person is precluded from tampering with the tabulating element during the course of its operation;

(b) If the number of choices for any office or on any question exceeds the number for which the voter is entitled to vote, it shall reject all choices recorded on the ballot for that office or question;

(c) It shall have a means by which to verify that the tabulating elements for each candidate position and for each question are all set to zero and shall be able to generate a printed record of each precinct showing the total number of voters whose ballots have been tabulated, the total number of votes cast for each candidate whose name appears on the ballot, and the total number of votes cast for, or against any question. It shall also be capable of generating cumulative election totals.

The transfers shall be paid from moneys derived from appropriations made to the fund for that purpose.

(3) The registry shall report to the General Assembly within three (3) months following an election for Governor and Lieutenant Governor the total amount of transfers from the fund paid to each qualifying slate of candidates for qualifying contributions.

(4) The registry shall preserve all receipted bills and accounts required to be kept by this chapter for a period of six (6) years.

(5) All slated candidates' campaign committees, including those of slates of candidates rejecting expenditure limitations, and fundraisers for slated candidates who are registered pursuant to KRS 121.170(2), shall report all contributions and expenditures to the registry not less than every thirty (30) days following the formation and registration of the committee or registration of the fundraiser and not less than every fourteen (14) days during the fifty-six (56) days immediately preceding the primary election and the fifty-six (56) days immediately preceding the regular election of a year in which a Governor and Lieutenant Governor are elected, in lieu of the reporting provisions of KRS 121.180(3)(a), (b), and (c). Slated candidates participating in a runoff primary and registered fundraisers for slated candidates in a runoff primary shall report all contributions and expenditures to the registry fourteen (14) days before the runoff primary. All slated candidates and registered fundraisers for slated candidates shall make a report to the registry not later than thirty (30) days following any election in which they participate and shall submit additional reports every thirty (30) days thereafter until all financial obligations of the slate have been fulfilled and the candidate campaign account has been closed in lieu of the reporting provisions of KRS 121.180(4). All reports required by this subsection shall include all contributions deposited into and all expenditures paid from the candidate campaign account as of the close of business on the last day of the reporting period.

(6) After each primary, each runoff primary, and each regular election in a year in which a Governor and Lieutenant Governor are elected, the registry shall conduct a thorough examination and audit of the

contributions to and campaign expenditures by any campaign committee of each slate of candidates and issue a separate report on each campaign committee.

(7) The registry shall promulgate administrative regulations and official forms and perform other duties necessary to implement the provisions of this chapter.

SECTION 3. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) A qualifying slate of candidates for Governor and Lieutenant Governor that receives transfers from the fund may make campaign expenditures which, in the aggregate, including the expenditure of transfers from the fund, shall not exceed one million eight hundred thousand dollars ($1,800,000) in connection with a primary election campaign and one million eight hundred thousand dollars ($1,800,000) in connection with a regular election campaign, subject to the provisions of subsections (4) and (5) of Section 8 of this Act, and three hundred thousand dollars ($300,000) in connection with a runoff primary campaign.

(2) The expenditure limit amounts established in subsection (1) of this section shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

(3) No qualifying slate of candidates for Governor and Lieutenant Governor that receives a transfer from the fund or that is otherwise subject to expenditure limitations shall exceed the expenditure limitations of subsection (1) of this section through an additional reported or unreported expenditure by any person, committee, or contributing organization which does not qualify as an "independent expenditure" as defined in KRS 121.150(1).

(4) A slate of candidates for Governor and Lieutenant Governor that has filed a statement of intent to accept transfers from the fund and abide by the maximum expenditure limit that was not rescinded pursuant to subsection (4) of Section 4 of this Act may receive contributions from permanent committees which, in the aggregate, shall not exceed twenty-five percent (25%) of the qualifying contributions received by the slate of candidates in any one (1) election. A slate of candidates that has filed a statement of intent to reject transfers from the fund and not abide by the maximum expenditure limit or one that has rescinded a statement of intent to accept transfers from the fund pursuant to subsection (4) of Section 4 of this Act may receive contributions from permanent committees which, in the aggregate, shall not exceed twenty-five percent (25%) of the qualifying contributions received by the slate of candidates in any one (1) election up to a maximum of one hundred fifty thousand dollars ($150,000) in any one (1) election.

(5) No slate of candidates for Governor and Lieutenant Governor shall knowingly accept any other campaign contribution during the thirty (30) days immediately preceding a primary or regular election and during the fourteen (14) days immediately preceding a runoff primary except:

(a) A qualifying slate of candidates that has elected to become eligible for fund transfers or who may in the future elect to become eligible for fund transfers shall be released from expenditure limitations following a certification by the registry pursuant to subsection (4) or (5) of Section 8 of this Act that a slate of candidates that has not elected to become eligible for fund transfers has received contributions or made expenditures in excess of the expenditure limits provided in subsection (1) of this section; or

(b) The matching ratio of fund transfers established in subsection (2)(c) of Section 6 of this Act has been reduced by the registry pursuant to subsection (3) of Section 8 of this Act. If the registry reduces the matching ratio of fund transfers, a qualifying slate of candidates that has elected to become eligible for fund transfers or that may in the future elect to become eligible for fund transfers, may accept aggregate qualifying contributions which, when added to the maximum threshold qualifying amount established in subsection (2)(c) of Section 6 of this Act and the amount equal to the reduced matching ratio of fund transfers shall not exceed the expenditure limit established in subsection (1) of this section unless a qualifying

slate of candidates has been released from expenditure limitations pursuant to subsection (4) or (5) of Section 8 of this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) Each slate of candidates for Governor and Lieutenant Governor shall file with the registry a statement of intent to accept or to reject a transfer from the election campaign fund. The statement shall be filed not later than the deadline for filing nomination papers.

(2) A qualifying slate of candidates that intends to accept a transfer shall swear that the slate and the slate's authorized agents have complied with and will continue to comply with applicable contribution and expenditure limits.

(3) A slate of candidates shall designate in the statement of intent whether the slate will accept or reject a transfer in either the primary or the regular election. A qualifying slate of candidates that receives a transfer from the fund in either the primary or regular election shall be bound by the contribution and expenditure limits of Sections 3 and 5 of this Act throughout the campaign. A slate of candidates that rejects expenditure limitations in a primary shall not be eligible to receive a transfer from the fund in a runoff primary or the regular election. A slate of candidates that accepts expenditure limitations in a primary shall not reject expenditure limitations in a regular election.

(4) (a) Prior to the payment by the registry of either a primary election transfer or a regular election transfer, a slate of candidates may rescind its statement of acceptance by filing a notice rescinding its acceptance not later than 4 p.m., prevailing time, not later than ten (10) calendar days after the date for filing nomination papers.

(b) A slate of candidates may rescind its statement of rejection if it has not received contributions or made expenditures in excess of the expenditure limit established by subsection (1) of Section 3 of this Act by filing a notice rescinding its rejection not later than 4 p.m., prevailing time, not later than ten (10) calendar days after the date for filing nomination papers.

SECTION 5. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) A slate of candidates that has filed a statement of intent to accept transfers from the fund and abide by the maximum expenditure limit which was not rescinded pursuant to subsection (4) of Section 4 of this Act shall not knowingly accept a contribution from a natural person, permanent committee, executive committee of a political party, or contributing organization of more than five hundred dollars ($500) in any one (1) election. Except for independent expenditures, as defined in KRS 121.150(1), no natural person, permanent committee, executive committee of a political party, or contributing organization shall knowingly make a contribution of more than five hundred dollars ($500) in any one (1) election to a slate of candidates that has filed a statement of intent to accept transfers from the fund and abide by the maximum expenditure limit which was not rescinded.

(2) A slate of candidates that has filed a statement of intent to reject transfers from the fund and not abide by the maximum expenditure limit or one that has rescinded a statement of intent to accept transfers from the fund pursuant to subsection (4) of Section 4 of this Act shall not knowingly accept a contribution of more than one hundred dollars ($100) in any one (1) election from a natural person, permanent committee, executive committee of a political party, or contributing organization. A slate of candidates that has accepted a contribution in excess of one hundred dollars ($100) that later rejects expenditure limitations or rescinds its acceptance of expenditure limitations shall refund to the contributor the amount of a contribution in excess of one hundred dollars ($100). Except for independent expenditures, as defined in KRS 121.150(1), no natural person, permanent committee, executive committee of a political party, or contributing organization shall knowingly make a contribution of more than one hundred dollars ($100) in any one (1) election to a slate of candidates that has filed a statement of intent to reject transfers from the fund and not abide

by the maximum expenditure limit or one that has rescinded a statement of intent to accept transfers from the fund.

(3) No slate of candidates shall knowingly accept any cash contribution from a natural person, permanent committee, executive committee of a political party, or contributing organization. No natural person, permanent committee, executive committee of a political party, or contributing organization shall knowingly make a cash contribution to a slate of candidates.

SECTION 6. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(2) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

(a) A statement of intent accepting maximum expenditure limitations;

(b) A copy of the slate's nomination papers;

(c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio. The threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor that elects to be eligible to receive a transfer from the fund in a primary election shall be six hundred thousand dollars ($600,000) in qualifying contributions. The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a regular election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars ($300,000) in qualifying contributions and the maximum threshold qualifying amount for a general election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No transfer from the fund shall be made for qualifying contributions which a slate of candidates may receive in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to subsection (4) or (5) of Section 8 of this Act. The threshold qualifying amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election; and

(d) Any other information reasonably necessary that is required by the registry.

(3) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) calendar days after the slate submits the required documentation.

(4) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) calendar days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(5) A separate determination and certification shall be made for a primary and a regular election.

(6) The certification issued by the registry shall indicate:

(a) Whether a slate of candidates is eligible to receive a transfer; and

(b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(7) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(8) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

(a) State the reasons why the slate of candidates is not eligible to receive a transfer; and,

(b) What action, if any, the slate of candidates may take to qualify for a transfer.

(9) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(10) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

(11) No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).

(12) No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary election unless at least one (1) additional slate of candidates seeking the same party's nomination for Governor and Lieutenant Governor in the primary election has received and deposited in its candidate campaign account funds in an amount not less than the threshold qualifying amount for the primary election as established in subsection (2)(c) of Section 6 of this Act. No qualifying slate of candidates seeking election to the offices of Governor and Lieutenant Governor in a regular election shall be eligible to receive transfers from the fund unless at least one (1) additional slate of candidates seeking election to the offices of Governor and Lieutenant Governor in the regular election has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount for the regular election as established in subsection (2)(c) of Section 6 of this Act.

SECTION 7. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) All transfers received from the fund by a qualifying slate of candidates and all contributions or personal resources of any slate of candidates to be used for campaign expenditures shall be deposited in the candidate campaign account.

(2) For each deposit in excess of one hundred dollars ($100) made in the account of any slate of candidates for Governor and Lieutenant Governor, there shall be retained by the campaign treasurer a short statement, in the form prescribed by the registry, showing:

(a) The amount of each contribution or amount of personal resources deposited;

(b) The date each contribution was received or each amount of personal resources was made available, and;

(c) The name, address, and, in the case of individuals, occupation and employer of each contributor and the spouse of the contributor, and, if a contribution is made from the personal resources of the slate of candidates, the banks and account numbers from which the funds were transferred. The occupation listed for each contributor shall be specific. A general classification, such as "businessman," shall be insufficient. If the contributor or the spouse of the contributor is self-employed, the name under which he is doing business shall be listed.

(3) The slate of candidates shall designate in writing, to be filed with the registry, not more than three (3) individuals who shall be authorized, in addition to the slate, to withdraw funds from the candidate campaign account.

(4) No individual authorized to make withdrawals from the candidate campaign account shall pay any amount out of the account for goods or services furnished, other than staff salaries, except upon the presentation of an invoice submitted by the person to whom the payment is to be made. The invoice shall describe disbursements to persons, the name, address, occupation, and employer of each person, and the date and the amount disbursed. These invoices shall be preserved by the slate of candidates and made available for reasonable inspection and auditing by employees of the registry.

SECTION 8. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) If the registry certifies that a qualifying slate of candidates is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the registry, complying with the procedures of subsection (7) of this section. A transfer entitlement voucher may document total qualifying contributions equal to six hundred thousand dollars ($600,000) for a primary election and not less than three hundred thousand dollars ($300,000) but not more than six hundred thousand dollars ($600,000) for a regular election for receipt of a fund transfer in an amount equal to twice the amount of qualifying contributions documented. A qualifying slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in a regular election, but the maximum amount of fund transfers a slate may receive in a primary or regular election shall not exceed twice the amount of the maximum threshold qualifying amount, subject to the provisions of subsections (4) and (5) of this section.

(2) The fund transfer which a qualifying slate of candidates for Governor and Lieutenant Governor in a runoff primary may receive shall be three hundred thousand dollars ($300,000).

(3) The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment annually, beginning in 1996, and in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election. If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the registry shall reduce the matching ratio to the ratio the registry determines so as not to exceed the amount of the fund. If the matching ratio is reduced for a primary election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the primary election. If the matching ratio is reduced for a regular election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the regular election.

(4) (a) If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that in the course of a primary election, runoff primary election, or regular election campaign a slate of candidates for Governor and Lieutenant Governor that has not accepted the provisions of this chapter has received contributions or made expenditures in

excess of the expenditure limit as provided in subsection (1) of Section 3 of this Act, the registry shall certify that those slates of candidates that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations. Slates of candidates released from expenditure limitations in a primary or regular election shall continue to be eligible to receive transfers from the fund. A slate of candidates that is released from expenditure limitations in a runoff primary shall not be eligible for transfers from the fund in excess of three hundred thousand dollars ($300,000), but shall be eligible to accept qualifying contributions for the runoff primary;

(b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a campaign committee of a slate of candidates indicates that the slate of candidates has, or may have, received contributions or made expenditures in excess of the expenditure limits as provided in subsection (1) of Section 3 of this Act. The registry shall issue a ruling not later than seven (7) days after the public hearing; and

(c) A public hearing shall be conducted within three (3) days upon petition to the registry by a slate of candidates that, based upon its knowledge and belief, another slate of candidates has, or may have, received contributions in excess of the expenditure limitations as provided in subsection (1) of Section 3 of this Act. The registry shall issue a ruling not later than seven (7) days after the public hearing.

(5) Nothing in this section shall prevent any slate of candidates from notifying the registry in writing that its campaign committee has received contributions or made expenditures in excess of the expenditure limitations as provided in subsection (1) of Section 3 of this Act. In that case, no public hearing shall be held and the registry shall certify that those slates of candidates who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers for that election shall be released from expenditure limitations for that election and shall continue to be eligible to receive transfers from the fund if qualified by law.

(6) A slate of candidates shall establish a separate candidate campaign account for each primary, runoff primary, and regular election in which it participates. The unexpended balance of contributions and fund transfers in a candidate campaign account of a slate of candidates which remains after all financial obligations of the particular election for which the account is established have been satisfied shall be forwarded to the registry for deposit in the fund when the account is closed. The payment to the fund shall be made not later than ten (10) working days after the candidate campaign account for a particular election is closed. Funds in the candidate campaign account of a slate of candidates shall be expended only for expenses incurred in the particular election for which the account is established and shall not be used to pay expenses incurred in any other election or for any other purpose.

(7) To receive fund transfers for which it is eligible, each qualifying slate of candidates shall submit to the registry at the times and in the form and manner the registry may require, a transfer entitlement voucher. The voucher shall include the full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or if the contributor or the spouse of contributor is self-employed, the name under which he is doing business.

(8) Within three (3) working days of the receipt of the voucher, the registry shall:

(a) Make a determination, according to the procedures the registry may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;

(b) Certify for payment to the qualifying slate of candidates the amount of fund transfer for which it is eligible; and

(c) Promptly upon certification, issue a warrant on the fund for a transfer to the qualifying slate of candidates or its authorized treasurer in the amount certified by the registry.

(9) For the purpose of financing primary election campaigns, the registry shall make no transfer to a qualifying slate of candidates entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.

(10) Transfers from the fund for a regular election campaign shall not be made earlier than the date the results of the primary election preceding the regular election of a year in which the Governor and Lieutenant Governor are elected are certified. If a qualifying slate of candidates is unopposed in a primary election, or has no opposition that has received contributions of not less than the threshold qualifying amount for the primary election, the registry shall make no transfer to that slate from the fund for the primary election. If a qualifying slate of candidates is unopposed in a regular election, or has no opposition that has received contributions of not less than the minimum threshold qualifying amount for the regular election, the registry shall make no transfer to that slate from the fund for the regular election.

(11) If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry prior to the primary election, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a replacement for a vacant candidate is made after the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, notices informing the voters of the change in the composition of the slate shall be posted at each precinct polling place.

(12) The provisions of KRS 118.105 shall apply to vacancies occurring in the nomination of a qualifying slate of candidates.

(13) If during the course of a primary or regular election, a qualifying slate of candidates withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election on the ballot, or if both candidates on the slate die, the registry shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

(14) The registry shall not certify any contribution made to a qualifying slate of candidates entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the regular election and in connection with the general election, violates the provisions of Section 5 of this Act or KRS 121.150.

(15) The registry shall perform a continuing audit of all slates of candidates for Governor and Lieutenant Governor to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

SECTION 9. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

Any qualifying slate of candidates that receives a transfer from the fund shall comply with and be subject to all campaign finance requirements contained in KRS Chapter 121 to the extent that the requirements are not inconsistent with the provisions of this chapter.

SECTION 10. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) Any qualifying slate of candidates that elects to receive a transfer from the fund shall participate preceding any primary, runoff primary, if one is held, and regular election in which it participates, in a year in which the Governor and Lieutenant Governor are elected, in a reasonable number of televised candidate forums or debates managed and designed by the Kentucky Authority for Educational Television in a manner to ensure participation by all slates of candidates. However, a qualifying slate of candidates that elects to receive a transfer from the fund shall not be required to participate in more than six (6) televised candidate forums or debates preceding a primary, one (1) preceding a runoff primary, or six (6) preceding a regular election. The authority shall make the televised candidate forums or debates available at no charge to all other media. The authority shall promulgate administrative regulations necessary to implement the requirements of this subsection.

(2) All programming decisions concerning televised candidate forums or debates shall be the ultimate responsibility of the Kentucky Authority for Educational Television. The authority shall maintain editorial integrity in accordance with accepted public broadcasting principles. No appointed or elected state officeholder or any other person shall directly or indirectly attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any person assigned responsibility for candidate forum or debate programming decisions no alternative but to comply with the wishes of the officeholder or person. Persons assigned candidate forum or debate programming decisions shall be free of obligation or the appearance of obligation to any interest other than the public right to know. It shall not be considered a violation of this subsection for an office holder or other person to seek remedies in a court of law to any programming decision he considers to be an abridgement of his legal rights.

(3) The registry shall promulgate administrative regulations which prescribe the grounds for which failure of a qualifying slate of candidates to participate in any of the televised candidate forums or debates required by subsection (1) of this section shall be excused and the process by which a qualifying slate of candidates shall inform the registry of the grounds for its failure to participate.

(4) If the registry determines that failure of a qualifying slate of candidates to participate in any televised candidate forum or debate required by subsection (1) of this section was not justified, no fund transfer shall be made to the slate for that election if it shall be otherwise qualified to receive one. If the registry determines that a slate that has already received a fund transfer has unjustifiably failed to participate in any required televised candidate forum or debate, the slate's campaign committee shall reimburse the fund the amount of the transfer within thirty (30) days of the date on which the registry's determination becomes final. If the slate's campaign committee has not reimbursed the fund the amount of the transfer within the thirty (30) day period, the slate shall be personally liable to the fund for the transfer amount to be reimbursed. A slate of candidates may appeal an adverse ruling by the registry within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

SECTION 11. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

No slate of candidates or individual who receives any transfer from the fund, or to whom any portion of any transfer received from the fund is paid, shall knowingly use, or authorize the use of, the transfer or portion thereof for any purpose other than to defray the qualified campaign expenses with respect to which the payment was made or to knowingly expend the funds on any item or service otherwise prohibited under this chapter or the laws of this Commonwealth.

SECTION 12. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

(1) (a) Any slate of candidates, authorized treasurer, or any other individual who knowingly violates the expenditure limitations imposed by Section 3 of this Act or the contribution limitations imposed by

Section 5 of this Act, knowingly misuses any transfers from the fund in violation of Section 11 of this Act, or knowingly falsifies any record required to be submitted or retained by the slate under this chapter shall be guilty of a Class D felony, and shall be disqualified from being appointed to or becoming a candidate for public office, or holding public office, for a period of five (5) years from the date of final judicial determination of guilt.

(b) In addition to the penalties set out in this subsection, pursuant to Section 151 of the Constitution of Kentucky, any slate of candidates nominated or elected prior to a final judicial determination that the slate has knowingly committed any of the violations contained in paragraph (a) of this subsection shall, upon that final judicial determination, forfeit the nomination or election, and, if the slate of candidates has assumed office, their offices shall be declared vacant and they shall forfeit all benefits which they would have been entitled to receive had they continued to serve.

(c) In addition to the penalties set out in this subsection, if any slate of candidates, authorized treasurer, or any other individual acting in complicity with the slate or treasurer is convicted of knowingly violating the provisions of this subsection, the court shall order the defendant, the slate, and the campaign committee treasurer to immediately refund all fund transfers to the election campaign fund and shall enter a judgment lien against the slate and its campaign committee for that purpose.

(2) Any appointed or elected state officeholder or any other person who knowingly violates the provisions of subsection (2) of Section 10 of this Act, or of any administrative regulation promulgated by the Kentucky Authority for Educational Television under subsection (1) of Section 10 of this Act, shall be guilty of a Class D felony. In the event a slate of candidates has assumed office, upon a final judicial determination of guilt, their offices shall be declared vacant and they shall forfeit all benefits which they would have been entitled to receive had they continued to serve.

(3) Any individual who knowingly violates any other provisions of Sections 1 to 11 of this Act, or of any administrative regulation promulgated by the registry under Sections 1 to 11 of this Act, shall be guilty of a Class D felony. In the event a slate of candidates has assumed office, upon a final judicial determination of guilt, their offices shall be declared vacant and they shall forfeit all benefits which they would have been entitled to receive had they continued to serve.

(4) If the registry determines that probable cause exists to believe a violation of this chapter has knowingly occurred, the registry shall immediately transmit its determination to the appropriate Commonwealth's attorney and the Attorney General.

SECTION 13. A NEW SECTION OF KRS CHAPTER 121A IS CREATED TO READ AS FOLLOWS:

This chapter shall be known as the "Public Financing Campaign Act."

SECTION 14. A NEW SECTION OF KRS CHAPTER 118 IS CREATED TO READ AS FOLLOWS:

A candidate for Governor filing a notification and declaration pursuant to KRS 118.125 shall list on the notification and declaration the name of the candidate for Lieutenant Governor who shall jointly appear on the ballot with him. The slate of candidates for Governor and Lieutenant Governor shall be nominated jointly by the casting by each voter of a single vote applicable to both offices. No candidate for Governor or Lieutenant Governor shall appear individually on the ballot for the nomination he is seeking.

SB 310, AN ACT relating to agricultural pesticides.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 217B IS CREATED TO READ AS FOLLOWS:

(1) The Commonwealth of Kentucky hereby determines that the citizens of the state benefit from a system of safe, effective, and scientifically sound pesticide regulation on agricultural and silvicultural land. (3) This section shall not apply to beneficial reuse of industrial solid waste.

SB 381, AN ACT relating to surface mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

The cabinet shall allow the use of a soil test or other simplified procedures to determine if soil productivity on mined prime farmlands has been restored to levels that would allow average crop yields to equal or exceed the average yield of the reference crop, provided the methods are approved by the Office of Surface Mining.

SECTION 2. A NEW SECTION OF KRS CHAPTER 350 IS CREATED TO READ AS FOLLOWS:

The cabinet shall encourage research and data collection to determine the validity of using a soil test or other simplified procedure to determine if mined prime farmland soils will meet yield requirements.

SJR 108, A JOINT RESOLUTION regarding restoration of surface mined prime farmland.

WHEREAS, certain requirements for reclamation on prime farmland imposed by the Office of Surface Mining and the state are onerous, impractical, expensive, and unnecessary to satisfactory reclamation; and

WHEREAS, the procedure for showing that soil productivity has been restored on prime farmland after mining requires using a reference crop and the determination of yields for a minimum of three (3) years; and

WHEREAS, in areas where row crops are the dominant crops grown on prime farmland, the row crop requiring the greatest rooting depth must be chosen as one of the reference crops; and

WHEREAS, an operator may be required to grow corn or other crops on the mined cropland when neither he nor the landowner may have any interest in growing those crops; and

WHEREAS, there appear to be other more practical and equally effective ways of determining whether soil productivity has been restored on prime farmland; and

WHEREAS, it is likely that a simple soil test could be developed to determine if the productivity has been restored;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Department for Surface Mining Reclamation and Enforcement be directed to promulgate administrative regulations, procedures, experimental practices, or other methods to encourage a simplified procedure for determining soil restoration after mining.

Section 2. That University of Kentucky researchers and any others involved be commended for research that has been carried out which could support the substitution of a soil test for the present complicated procedure used to show soil restoration.

Section 3. That the University of Kentucky and other entities be encouraged to continue research to determine alternatives to present soil restoration tests to include a simple soil test.

Section 4. That the Office of Surface Mining and other federal, state, and private organizations be encouraged to fund such research and that the Office of Surface Mining be encouraged to accept research data on the subject and to approve alternative procedures for determining soil restoration on mined prime farmland.

Section 5. That this resolution be sent to the Department for Surface Mining Reclamation and Enforcement, the federal Office of Surface Mining, the University of Kentucky, and the Interstate Mining Compact Commission.

SB 60, AN ACT relating to disability retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.600 is amended to read as follows:

(1) An employee with sixty (60) months of service, twelve (12) months of which shall be current service, may retire at any time before his normal retirement date on account of disability upon written notification to the board. Application for disability benefits shall be made within twelve (12) months of his last paid day of employment. ***Upon receipt of certified documentation of treatment from the member's licensed physicians, the system may waive the twelve (12) month limit in cases in which the member was undergoing treatment with the expectation that he might regain his capacity for employment. In no case shall application be made later than twenty-four (24) months from the member's last day of paid employment in a regular full-time position.*** Upon the examination by licensed physicians, it shall be determined that the employee, since his last day of paid employment, has been mentally or physically incapacitated to perform his job or jobs of like duties from which he received his last paid employment and that the disability did not pre-exist at the time of membership in the system or upon reemployment, except in case where a disabled recipient has returned to work on a trial basis and is a result of bodily injury, mental illness, or disease and that the incapacity is deemed to be permanent.

(2) A disability shall be deemed to be permanent if that disability is expected to result in death or can be expected to last for a continuous period of not less than twelve (12) months from the employee's last day of paid employment. For the purposes of determining permanence under this section, the board's medical examiners shall use the medical criteria under the Social Security disability program.

(3) Employees who have previously qualified for disability retirement and have had benefits discontinued shall be reevaluated under the criteria of subsection (2) of this section.

The Committee Amendment No. 1 to **SB 60** is as follows:

Amend printed copy of **SB 60/GA** on page 2, line 16, by adding thereafter the following:

"Section 2. KRS 6.515 is amended to read as follows:

(1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase of military service credit pursuant to subsection (2) of this section, or by transfer of credit as provided in subsection (6) of this section.

(2) (a) Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the Legislators' Retirement Plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the armed forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system fifty percent (50%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the Legislators' Retirement Plan, to other service credit earned in the plan.

(b) ***A member who has purchased military service in a retirement system administered by Kentucky Retirement Systems pursuant to KRS 61.555 may transfer that military service credit to the Legislators' Retirement Plan. If the member chooses to transfer his credit, the retirement system from which the transfer is made shall transfer to the Legislators' Retirement Plan the payment which the member made to that system pursuant to KRS 61.555, treated as a lump sum, plus interest compounded at the rates assumed by the system in its annual actuarial valuation from the time the lump sum was paid until the time of transfer. The member shall pay the Legislators' Retirement Plan fifty percent (50%) of the actuarial cost of the service, as determined by the board of trustees, minus the full amount transferred by the other retirement system.***

(c) The beneficiary may purchase military service credit ***pursuant to paragraph (a) of this subsection*** only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit ***pursuant to paragraph (a) or (b) of this subsection*** at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(d)[~~(c)~~] The payments made under this section shall be considered accumulated contributions of the member and shall not be picked-up by the employer pursuant to KRS 6.505(2).

(e)(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the armed forces, or is a disability pension which does not exceed five hundred dollars ($500) monthly.

(3) If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the Legislators' Retirement Plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(4) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection ***(3)***[~~(2)~~] of this section.

(6) A member who has qualified for benefits pursuant to KRS 6.525(1) may[~~, until July 1, 1991,~~] transfer to the Legislators' Retirement Plan up to ten (10) years of service credit which he has earned in the County Employees' Retirement System. If the member elects to transfer his County Employees' Retirement System service credit, that system shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the County Employees' Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred by the County Employees' Retirement System and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan. ***The member may pay by lump sum or by increments, as provided for in subsection (2)(b) of this section.***"

The Committee Amendment No. 2 to **SB 60** is as follows:

Amend printed copy of **SB 60/GA** on page 2, line 16, by adding thereafter the following:

"Section 2. KRS 156.026 is amended to read as follows:

(1) For purposes of this section, full-time service in a local school for not less than one hundred forty (140) days during the school year entitles an employee who transfers to the Department of Education to a full year of experience credit on the Department of Personnel pay schedule and a full year for the purpose of accumulation of annual leave and sick leave in the Department of Education.

(2) An employee of a local school district who transfers to become an employee of the Department of Education after June 30, 1983, shall be allowed to transfer accrued sick leave up to the maximum allowed for transfers for teachers between school districts as provided by KRS 161.155(3). The employee shall be allowed credit for each year of experience in the local school system for the purposes of determining salary in accordance with the current Department of Personnel pay schedule, and the rate of accumulation of annual and sick leave in the Department of Education.

(3) For purposes of determining eligibility for additional leave or other benefits based on longevity of service, an employee transferring from a school district to the Department of Education after June 30, 1983, shall be given credit for each year of service in the school district, as determined under subsection (1) of this section.

(4) An employee of a local school district who transfers to become an employee of the legislative branch, the judicial branch, or the executive branch other than in the Department of Education shall be allowed to transfer accrued sick leave up to the maximum allowed for transfers for teachers between school districts as provided by KRS 161.155(3), but not exceeding those limits established by statute or administrative regulations for employees of the executive, legislative, or judicial branches respectively. The employee shall be allowed credit for each year of experience with the local school district for the purposes of determining the rate of accumulation of annual and sick leave in the executive, legislative, or judicial branches. For the purposes of determining eligibility for additional leave or other benefits based on longevity of service, the employee shall be given credit for each year of service in the school district. A year of service with the local school district shall be not less than one hundred and forty (140) days during the school year. An employee of the legislative branch, judicial branch, or executive branch of government who transfers to become an employee of a local school district shall be allowed to transfer accrued sick leave up to the maximum allowed for transfers for teachers between school districts as provided by KRS 161.155(3).

Section 3. Because it is the intent of Section 2 of this Act to deal equitably with all employees and to encourage the movement of employees among school districts and other branches of government to further the purposes of education reform, the effect of Section 2 of this Act shall be retroactive to July 1, 1990."

The Committee Amendment No. 1 to **SB 152** is as follows:

Amend printed copy of **SB 152/GA** on page 1, line 18 after the period, by inserting the following:

"SECTION 2. A NEW SECTION OF KRS CHAPTER 1 IS CREATED TO READ AS FOLLOWS:

It is the intent of the General Assembly of the Commonwealth of Kentucky that Section 3 of this Act shall not eliminate the existing methods of describing points of the surface of the earth, as in metes and bounds or, in western Kentucky, the public land system, but rather to enhance these existing methods and establish a conformity for retracement purposes.

SECTION 3. A NEW SECTION OF KRS CHAPTER 1 IS CREATED TO READ AS FOLLOWS:

(1) The Kentucky Coordinate System of 1983, which is hereby adopted, means a system of plane coordinates which have been established by the National Ocean Service/National Geodetic Survey for defining and stating the geographic positions or locations of points on the surface of the earth within the Commonwealth of Kentucky.

(2) For this system, the Commonwealth shall be divided into a north zone and a south zone. The north zone shall be a Lambert conformal conic projection of the North American Datum of 1983, having standard parallels at north latitudes 37 degrees, 58 minutes, and 38 degrees, 58 minutes along which parallels the scale shall be exact. The origin of coordinates shall be at the intersection of the meridian 84 degrees, 15 minutes west of Greenwich, and the parallel 37 degrees, 30 minutes north latitude. This origin shall be given the coordinates: N0, E500,000.000 meters. The south zone shall be a Lambert conformal conic projection of the North American Datum of 1983, having standard parallels at north latitudes 36 degrees, 44 minutes, and 37 degrees, 56 minutes along which parallels the scale shall be exact. The origin of coordinates shall be at the intersection of the meridian 85 degrees, 45 minutes west of Greenwich, and the parallel 36 degrees, 20 minutes north latitude. This origin shall be given the coordinates: N500,000.000, E500,000.000 meters. The southern edge of the following counties shall delineate the boundary between the north zone and the south zone: Bullitt, Spencer, Anderson, Woodford, Jessamine, Fayette, Clark, Montgomery, Menifee, Morgan, and Lawrence.

(3) One U. S. survey foot equals (1200)/(3937) meter. For conversion of meters to U. S. survey feet, multiply the meters by 3.28083333333 to twelve (12) significant figures. When converting from meters to feet, the conversion factor defined by the U. S. survey foot shall be used.

(4) The plane coordinate values for a point on the earth's surface, used to express the geographic position or location of the point in the appropriate zone of this system, shall consist of two (2) distances expressed in U. S. survey feet and decimals of a foot when using the Kentucky Coordinate System of 1983. For the Kentucky Coordinate System of 1983, one (1) of the distances, to be known as the "northing" or "N", shall give the position in a north/south direction. The other, to be known as the "easting" or "E" shall give the position in an east/west direction. These coordinates shall be made to depend upon and conform to plane rectangular coordinates values for the monumented points of the North American National Geodetic Horizontal Network as published by the National Ocean Service/National Geodetic Survey, and whose plane coordinates have been computed on the systems established by the National Ocean Service/

National Geodetic Survey. Any such station may be used for establishing a survey connection to the Kentucky Coordinate System of 1983.

(5) For purposes of describing the location of any survey station or land boundary corner in the Commonwealth of Kentucky, it shall be considered a complete, legal, and satisfactory description of the location to give the position of the survey station or land boundary corner on the Kentucky Coordinate System of 1983.

(6) Nothing contained in this section shall require a purchaser or mortgagee of real property to rely wholly on a land description any part of which depends exclusively upon the Kentucky Coordinate System of 1983.

(7) When any tract of land to be defined by a single description extends from one (1) into the other of the two (2) zones, the position of all points on its boundaries may be referred to either of the two (2) zones. The zone which is used shall be named in the description.

(8) No coordinates based on the Kentucky Coordinate System of 1983, purporting to define the position of a point on a land boundary, shall be presented to be recorded in any public land records or deed records unless the point has been tied to an existing monumented horizontal control station established in conformity with the standards of accuracy and specifications for first or second order geodetic surveying as prepared and published by the Federal Geodetic Control Committee of the United States Department of Commerce. The survey used to tie a point into these monumented control stations shall conform to the standards and specifications of a minimum of third order accuracies as set forth by the Federal Geodetic Control Committee. Standards and specifications of the Federal Geodetic Control Committee, or its successor, in force on the date of the survey shall apply. Publishing existing control stations, or the acceptance with intent to publish the newly established stations, by the National Ocean Service/National Geodetic Survey shall constitute evidence of adherence to the Federal Geodetic Control Committee specifications. These requirements may be modified by a duly authorized state agency or local agency to meet local conditions.

The following definitions apply in this chapter unless the context otherwise requires:

(1) "Advancing gambling activity" — A person "advances gambling activity" when, acting other than as a player, he engages in conduct that materially aids any form of gambling activity. The conduct shall include, but is not limited to, conduct directed toward the establishment of the particular game, contest, scheme, device, or activity involved; toward the acquisition or maintenance of premises, paraphernalia, equipment, or apparatus therefor; toward the solicitation or inducement of persons to participate therein; toward the actual conduct of the playing phases thereof; toward the arrangement of any of its financial or recording phases or toward any other phase of its operation. A person who gambles at a social game of chance on equal terms with other participants does not otherwise advance gambling activity by performing acts, without remuneration or fee, directed toward the arrangement or facilitation of the game as inviting persons to play, permitting the use of premises therefor and supplying equipment used therein.

(2) "Bookmaking" means advancing gambling activity by unlawfully accepting bets upon the outcome of future contingent events from members of the public as a business.

(3) "Gambling" means staking or risking something of value upon the outcome of a contest, game, gaming scheme, or gaming device which is based upon an element of chance, in accord with an agreement or understanding that someone will receive something of value in the event of a certain outcome. ***"Gambling" shall not include charitable gaming which is licensed and regulated by the Justice Cabinet in accordance with KRS Chapter 15A.***

(4) "Gambling device" means:

(a) Any so-called slot machine or any other machine or mechanical device an essential part of which is a drum or reel with insignia thereon, and which when operated may deliver, as a result of the application of an element of chance, any money or property, or by the operation of which a person may become entitled to receive, as the result of the application of an element of chance, any money or property; or

(b) Any other machine or any mechanical or other device,including but not limited to roulette wheels, gambling tables and similar devices, designed and manufactured primarily for use in connection with gambling and which when operated may deliver, as the result of the application of an element of chance, any money or property, or by the operation of which a person may become entitled to receive, as the result of the application of an element of chance, any money or property;

(c) But, the following shall not be considered gambling devices within this definition:

1. Devices dispensing or selling combination or French pools on licensed, regular racetracks during races on said tracks.

2. Electro-mechanical pinball machines specially designed, constructed, set up, and kept to be played for amusement only. Any pinball machine shall be made to receive and react only to the deposit of coins during the course of a game. The ultimate and only award given directly or indirectly to any player for the attainment of a winning score or combination on any pinball machine shall be the right to play one (1) or more additional games immediately on the same device at no further cost. The maximum number of free

games that can be won, registered, or accumulated at one (1) time in operation of any pinball machine shall not exceed thirty (30) free games. Any pinball machine shall be made to discharge accumulated free games only by reactivating the playing mechanism once for each game released. Any pinball machine shall be made and kept with no meter or system to preserve a record of free games played, awarded, or discharged. Nonetheless, a pinball machine shall be a gambling device if a person gives or promises to give money, tokens, merchandise, premiums, or property of any kind for scores, combinations, or free games obtained in playing the pinball machine in which the person has an interest as owner, operator, keeper, or otherwise.

(5) "Lottery and gift enterprise" means:

(a) A gambling scheme in which:

1. The players pay or agree to pay something of value for chances, represented and differentiated by numbers or by combinations of numbers or by some other media, one (1) or more of which are to be designated the winning ones; and

2. The winning chances are to be determined by a drawing or by some other method based upon the element of chance; and

3. The holders of the winning chances are to receive something of value.

(b) A gift enterprise or referral sales plan which meets the elements of a lottery listed in paragraph (a) of this subsection is to be considered a lottery under this chapter.

(6) "Mutuel" or "the numbers games" means a form of lottery in which the winning chances or plays are not determined upon the basis of a drawing or other act on the part of persons conducting or connected with the scheme, but upon the basis of the outcome or outcomes of a future contingent event or events otherwise unrelated to the particular scheme.

(7) "Player" means a person who engages in any form of gambling solely as a contestant or bettor, without receiving or becoming entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of the particular gambling activity. A person who engages in "bookmaking" as defined in subsection (2) of this section is not a "player." The status of a "player" shall be a defense to any prosecution under this chapter.

(8) "Profiting from gambling activity" — A person "profits from gambling activity" when, other than as a player, he accepts or receives or agrees to accept or receive money or other property pursuant to an agreement or understanding with any person whereby he participates or is to participate in the proceeds of gambling activity.

(9) "Something of value" means any money or property, any token, object, or article exchangeable for money or property, or any form of credit or promise directly or indirectly contemplating transfer of money or property or of any interest therein, or involving extension of a service, entertainment, or a privilege of playing at a game or scheme without charge.

[~~(10) "Charitable gaming" means games of chance, including bingo, operated by charitable or religious organizations or institutions, or fraternal societies, or associations, operating under the lodge system, the net earnings of which are devoted exclusively to religious, scientific, literary, educational, or fraternal purposes. When the board finds that a person claiming to be the holder of a license to practice in this state is not in fact the person to whom the license was issued, it shall reduce its findings to writing and file them in its office, and such findings shall be prima facie evidence that ***the*** [~~said~~] claimant does not hold a license to practice in this state.

(2) Unprofessional conduct shall include any departure or the failure to conform to the minimal standards of acceptable chiropractic practice or the willful or careless disregard for the health, welfare, or safety of patients, in any of which cases proof of actual injury need not be established. Unprofessional conduct shall include, but not be limited to, the following acts of a chiropractor:

(a) Gross ignorance of, or incompetence in, the practice of chiropractic;

The licensee shall attach to any claim form submitted to any third-party payor a copy of any coupon or a summary of the terms of any discount given; or

(g) Accepting for services rendered assigned payments from any third-party payor as payment in full, if the effect is to eliminate the need for payment by the patient of any required deductible or copayment applicable in the patient's health benefit plan, or collecting a fee or charge the licensee submits to a third-party payor for that service or treatment. However, in instances where the intent is not to collect excessive remuneration from a third-party payor but rather to provide services at a reduced rate to a patient unable to afford the deductible or copayment, the services may be performed for a lesser charge or fee. The third-party payor shall be informed by the licensee of the reduced charge.

(3) Upon receipt and due consideration of such charges, the board upon an affirmative vote of a majority of its members shall determine whether the nature and quality of the charges are such that further investigation or initiation of formal or informal disciplinary proceedings against the charged licensee is indicated. If the board determines that disciplinary proceedings are appropriate the charges shall be set down for hearing at a future meeting of the board, and the charged licensee shall be notified of this action in writing and shall be furnished a copy of said charges at least twenty (20) days before the date set for the hearing.

(4) ***Except for revocation for nonrenewal,*** no license shall be revoked or suspended without a hearing. The board may at any time proceed against a licensee on its own initiative either on the basis of information contained in its own records or on the basis of information obtained through its informal investigation. When a formal complaint verified by affidavit is filed with the board by a responsible citizen or organization and containing allegations that if true would warrant suspension or revocation of a license, the board shall proceed against the licensee within three (3) months.

(5) A written notice stating grounds for possible suspension or revocation of the license, setting forth with reasonable particularity the facts constituting the alleged offense and the time and place of the hearing before the board on the charges, shall be served on the charged licensee not less than twenty (20) days prior to the date of the hearing either personally or by mailing a copy thereof by certified mail, return receipt requested to the address of the licensee last known to the board.

Section 9. KRS 312.163 is amended to read as follows:

(1) In addition to the other powers granted to the board under this chapter, the board may, in connection with any person whom the board, after a hearing adjudges unqualified or whom the board, after a hearing, finds to have performed one or more of the acts described in KRS 312.150:

(b) Suspend the license to practice for a period not to exceed three (3) years;

(2) The board may also impose a civil penalty not exceeding ***two*** [~~one~~] thousand dollars ***($2,000)*** [~~($1,000)~~] for each separate violation, the amount of the civil penalty to be fixed so as to deprive the doctor of chiropractic of any economic advantage gained by reason of the violation charged or to reimburse the board for the cost of the investigation and proceeding.

(3) A licensee subject to any disciplinary proceeding under this chapter shall be afforded all procedural rights and may appeal any action of the board to the Franklin Circuit Court as set out in KRS 312.160.

Section 10. KRS 312.175 is amended to read as follows:

Satisfactory evidence of attendance of post graduate study at an institution approved by the board shall be considered equivalent. Any education shall include completion of the course described in KRS 214.610(1). Provided, however, that licenses may be renewed by the board, at its discretion, and the applicant may be excused from paying the renewal fee or attending the annual educational program, or both, in instances where the applicant submits an affidavit to the board evidencing that he [~~or she~~], for good cause assigned, suffered a hardship which prevented the applicant from renewing the license or attending the educational program at the proper time.

(2) The executive secretary of the board shall send a written notice to every person holding a valid license to practice chiropractic within this state at least thirty (30) days prior to the first day of March in each year, directed to the last known address of the licensee, and shall enclose with the notice proper blank forms for application for annual license renewal. The executive secretary shall, within thirty (30) days, notify every person failing to renew his license after it is due that he is delinquent ***and is subject to a late penalty of one hundred dollars ($100). If the licensee fails to renew his license within ninety (90) days after the mailing of the delinquent notice then his license shall be revoked for nonrenewal.*** [~~Failure of any such licensee to renew his license on the next annual renewal date shall constitute sufficient grounds for the board to revoke his license.~~] Any licensee whose license has been revoked for [~~not more than four (4) years for~~] failure to renew his license may have his license restored upon the payment of a restoration fee not to exceed ***two*** [~~one~~] hundred dollars ***($200)*** [~~($100)~~] for each delinquent year or any part thereof in addition to the renewal fee of not more than ***three*** [~~one~~] hundred dollars ***($300)*** [~~($100)~~] and upon presentation of satisfactory evidence of post graduate study of a standard approved by the state board or upon a showing that he is an exception as provided for in subsection (1) of this section. Any licensee whose license has been revoked for more than four (4) years for failure to renew his license may have his license restored after satisfactorily passing the examination as provided in KRS 312.115 and upon payment of the regular application fee.

Section 11. KRS 312.200 is amended to read as follows:

(1) The board shall appoint a peer review committee not to exceed five (5) doctors of chiropractic licensed under this chapter, none of whom are in direct business relationship with the provider, insurer, or patient whose case is being reviewed. Members of the peer review committee shall serve at the pleasure of the board.

(2) Peer review shall occur upon submission by a patient, the patient's representative, insurer, or chiropractor, in accordance with the procedures and fees approved by the board, of an inquiry about a treatment rendered to a patient by a chiropractor. The peer review committee shall examine each inquiry submitted to it and shall report its findings to the board and furnish copies of the findings to the patient, chiropractor, and third-party payor. The findings of the peer review committee on each inquiry reviewed may include a determination of whether or not the chiropractor properly utilized services and rendered or ordered appropriate treatment or services and whether or not the cost of the treatment was unconscionable.

(3) Other persons performing peer review of chiropractic claims, shall be licensed by the board and complete annually a board approved utilization review course, in addition to the required annual education in KRS 312.175. "SECTION 2. A NEW SECTION OF KRS 164.740 to 164.770 IS CREATED TO READ AS FOLLOWS:

(1) It is the intent of the General Assembly to establish a teacher scholarship program to attract and encourage the most academically talented individuals to become certified Kentucky teachers and render teaching service in Kentucky schools.

(2) As used in this section unless the context requires otherwise:

(a) "Critical shortage area" means understaffing of teachers in a particular subject matter, grade level or geographic location, as determined by the authority from any source considered reliable, including, but not limited to, consultation with local and state school officials. The authority shall publish at least annually a list of critical shortage areas and make the list available to applicants and former recipients.

(b) "Eligible program of study" means an undergraduate or graduate program of study which is preparatory to initial teacher certification or recertification in a critical shortage area, which does not lead to a certificate, diploma, or degree in theology, divinity, or religious education.

(c) "Participating institution" means an institution of higher education located in Kentucky, which offers an eligible program of study and has in force an agreement with the authority providing for administration of the teacher scholarship program.

(d) "Qualified teaching service" means teaching the major portion of each school day for at least seventy (70) days each semester in a public school of the Commonwealth or a private school certified pursuant to KRS 156.160(3).

(e) "Semester" means a period of eighteen (18) weeks, which makes up one-half (1/2) of a school year, or one-half (1/2) of a participating institution's academic year.

(3) The Kentucky Higher Education Assistance Authority may, to the extent of appropriations and other funds available to it pursuant to subsection (9), award teacher scholarships to persons eligible under subsection (4), who declare an intention to enter the teaching profession and render qualified teaching service. Each teacher scholarship shall be evidenced by a promissory note which requires repayment or cancellation pursuant to subsection (6) of this section.

(4) Kentucky residents who are enrolled or accepted for enrollment in an eligible program of study on a full-time basis at a participating institution shall be eligible, except for limitations imposed in subsection (6)(b), to apply for teacher scholarships pursuant to this section, if they meet the following criteria:

(a) High school graduates with no college credits shall rank academically in the top ten per cent (10%) of their high school graduating class or score at or above the eightieth percentile (80%) on a test approved by the Council on Higher Education for admission to Kentucky's institutions of higher education;

(b) Certified teachers seeking recertification to teach shall have attained a cumulative grade point average of at least the equivalent of 2.5 on a 4.0 scale during the prior undergraduate studies and agree to pursue appropriate recertification and to render qualified teaching service in a critical shortage area upon completion of the recertification program;

(c) Applicants with earned college credits shall have attained at least the equivalent of a 2.5 grade point average on a 4.0 scale for all undergraduate work; or

(d) If an applicant has previously earned graduate level credits, notwithstanding paragraphs (b) and (c), the applicant shall have attained at least the equivalent of a 3.0 grade point average on a 4.0 scale for all graduate work, and the cumulative grade point average for undergraduate studies may be disregarded.

(5) The Kentucky Higher Education Assistance Authority shall establish, by administrative regulation, the maximum annual amount of scholarship to be awarded under this section, provided that the aggregate amount of scholarships awarded to an individual, including amounts received from teacher scholarship programs previously authorized by the General Assembly, shall not exceed twenty thousand dollars ($20,000). The amount of each scholarship to be awarded shall not exceed the applicant's total cost of education minus other financial assistance received or expected to be received by the applicant during the academic period.

(6) (a) The Kentucky Higher Education Assistance Authority shall award teacher scholarships only to eligible persons who agree to render qualified teaching service as certified teachers.

(b) No teacher scholarship shall be awarded and no promissory note cancellation shall be granted to any person who is in default on any obligation to the authority under any program administered by the authority pursuant to KRS 164.740 to 164.785 until financial obligations to the authority are satisfied, except that ineligibility for this reason may be waived by the authority for cause.

(c) Recipients shall render one (1) semester of qualified teaching service for each semester of scholarship received, except that recipients who teach in a critical shortage area designated by the authority shall render one (1) semester of qualified teaching service as repayment for two (2) semesters of scholarships received. Upon completion of each semester of qualified teaching service, the authority shall cancel the appropriate number of promissory notes.

(d) If the recipient of a teacher scholarship fails to complete an eligible program of study at a participating institution or fails to render qualified teaching service in any semester following certification or recertification, unless the failure is temporarily waived for cause by the authority, the recipient shall immediately become liable to the authority for repayment of the sum of all outstanding promissory notes and accrued interest. Persons liable to repayment of a scholarship under this paragraph shall be liable for interest accruing from the date on which the teacher scholarship was disbursed.

(e) Recipients who have outstanding loans or scholarships under teacher scholarship programs previously authorized by the General Assembly, who render qualified teaching service, shall have their notes canceled in accordance with subsection (6)(c).

(f) The authority shall establish, by administrative regulation, the terms and conditions for the award, cancellation, and repayment of teacher scholarships including, but not limited to, the selection criteria, amount of scholarship payments, deferments, the rate of repayment, and the interest rate.

(g) Notwithstanding any other statute to the contrary, the maximum interest rate applicable to repayment of a promissory note under this section shall be twelve percent (12%) per annum. If a judgment is rendered to recover payment, the judgment shall bear interest at a rate of five percent (5%) greater than the rate actually charged on the promissory note.

(7) A repayment obligation shall not be voided by reason of the age of the recipient at the time of receiving the teacher scholarship.

(8) Failure to meet repayment obligations shall be cause for the revocation of a person's teaching certificate, subject to the procedures set forth in KRS 161.120.

(9) All moneys repaid to the authority pursuant to this section shall be added to the appropriations made for purposes of this section, and the funds and unobligated appropriation shall not lapse.

(10) The authority may execute appropriate contracts and promissory notes for administering this section.

(11) If available funds are insufficient for all requested scholarships for eligible applicants during any fiscal year, the authority shall give priority consideration to eligible applicants who previously received teacher scholarships. If funds are insufficient to make all requested renewal scholarships to eligible applicants, the authority shall reduce all scholarship awards to the extent necessary to provide scholarships to all qualified renewal applicants. If, after awarding all eligible renewal applicants, funds are not depleted, initial applications shall be ranked according to regulatory selection criteria and awards made to the most highly qualified applicants until funds are depleted.

A maximum of six (6) years of military service may be credited, but [~~in no case~~] a greater number of years ***shall not be credited*** than the actual years of contributing service in Kentucky. ***A member may purchase one (1) month of service for each six (6) months of service in the military reserves or the National Guard.***

(2) No credit shall be granted for military service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

Floor Amendment No. 2 to **SB 60**, by Representative Morris:

Amend printed copy of **SB 60/GA** on page 2, line 16, by adding thereafter the following:

"Section 2. KRS 6.515 is amended to read as follows:

(1) Service credit in the Legislators' Retirement Plan shall be acquired only by service as a legislator after July 1, 1980, while a member of the plan, by transfer of credit as provided in KRS 6.505, or by purchase of military service credit pursuant to subsection (2) of this section, or by transfer of credit as provided in subsection (6) of this section.

(2) (a) Any active member of the Legislators' Retirement Plan who has at least five (5) years of service credit in the legislators' retirement plan, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the armed forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service by any other retirement system administered by the Commonwealth of Kentucky, by paying the retirement system fifty percent (50%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. ***The member may also receive one (1) month of service credit for each six (6) months of service in the National Guard or the military reserves of the United States by paying the retirement system fifty percent (50%) of the actuarial cost. The member shall not purchase more than four (4) years of service credit for service in the National Guard or the military reserves, or by combining active duty service and service in the National Guard or military reserves.*** The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the legislator in question pursuant to KRS 6.520. Service credit awarded pursuant to this subsection shall be equivalent, for all purposes of the legislators' retirement plan, to other service credit earned in the plan.

(b) The beneficiary may purchase military service credit only at one (1) time by lump-sum payment for the amount of service he wishes to purchase, and the payment shall be made within thirty (30) days of the death of the active member. The member may purchase all of his military service credit at one (1) time, or in increments of no less than one (1) year, unless there is a fraction remaining after all full years have been paid for. Payment of the total or the increment may be made by lump-sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. If the member leaves office before completing his installment payments, he may satisfy his contract by a lump-sum payment of the remaining principal amount, but no further installment payments shall be accepted thereafter. In this case, the member shall be credited with the military service credit for which he has paid, in years or months but no fraction less than a full month, and any payment remaining after credit for full months has been awarded shall be returned to the member.

(c) The payments made under this section shall be considered accumulated contributions of the member and shall not be picked-up by the employer pursuant to KRS 6.505(2).

(d) No veteran shall be eligible to purchase military service credit under this section if he is receiving a military pension or is eligible for a military pension in the future, unless the military pension is for service primarily on inactive duty in a reserve component of the armed forces, or is a disability pension which does not exceed five hundred dollars ($500) monthly.

(3) If spouses both serve in the General Assembly, but not simultaneously, they may combine their service credit in the Legislators' Retirement Plan for all purposes of that plan into a single account, and may jointly designate to whom the service retirement allowance shall be paid. The designation shall not be changed once it is made. Assuming equal service credit, the benefits paid, pursuant to this section, to a legislator and his or her spouse who also served as a legislator shall not exceed the benefits that the same legislator and his or her spouse would receive if the spouse had not served as a legislator.

(4) In the event of divorce, rights to benefits shall be considered marital property subject to the provisions of KRS 403.190.

(5) A former legislator whose spouse currently serves in the General Assembly and who received a refund of contributions pursuant to KRS 21.460 may repurchase service credit which he or she previously had by repaying the amount refunded with interest at six percent (6%) per annum, and the service credit shall become part of the single account authorized by subsection (2) of this section.

(6) A member who has qualified for benefits pursuant to KRS 6.525(1) may, until July 1, 1991, transfer to the legislators' retirement plan up to ten (10) years of service credit which he has earned in the County Employees' Retirement System. If the member elects to transfer his County Employees' Retirement System service credit, that system shall transfer to the legislators' retirement fund an amount equal to the employee's and employer's contributions attributable to that credit, together with interest on the contributions from the date made to date of transfer at the actuarially assumed interest rate of the County Employees' Retirement System in effect at the time the contributions were made, compounded annually at that same interest rate. The member shall be entitled to the transferred service credit, at the rate at which he qualifies pursuant to KRS 6.520, when he pays the total difference between the amount of the funds transferred by the County Employees' Retirement System and the cost of the credit to the Legislators' Retirement Plan, as determined by the actuary for the Legislators' Retirement Plan."

Floor Amendment No. 6 to **SB 269**, by Representative Arnold:

Amend printed copy of **SB 269/GA** on page 4, line 17, by adding thereafter,

"SECTION 6. A NEW SECTION OF KRS CHAPTER 70 IS CREATED TO READ AS FOLLOWS:

(1) The primary legislative body of each county may enact an ordinance creating a deputy sheriff merit board, which shall be charged with the duty of holding hearings, public and executive, in disciplinary matters concerning deputy sheriffs. For the purpose of Sections 6 to 10 of this Act, the primary legislative body of each county that does not have an urban-county or charter county government shall be the fiscal court.

(2) The reasonable and necessary expenses of the board, including the funds necessary to retain an attorney to advise the board on legal matters, shall be paid out of the fees and commissions collected by the sheriff. If the fees and commissions are not sufficient to pay the expenses of the board and the other expenses authorized by statute to be paid from these fees and commissions, the sheriff may negotiate with the primary legislative body to determine a method of paying all or part of the expenses of the board.

(3) The board shall consist of five (5) members, two (2) members appointed by the county judge/executive or the chief executive officer of an urban-county government with approval by the primary legislative body, two (2) members appointed by the county sheriff, and one (1) member elected by the deputy sheriffs of the county. Each board appointee shall be at least thirty (30) years of age and a resident of the county. No person shall serve on the board who is a deputy sheriff or who holds any elected public office. No person shall be appointed to the board who is a member of the immediate family of the sheriff of the county served by the board. The members of the board shall not receive a salary but shall receive reimbursement for necessary expenses.

(4) All appointments shall be for two (2) years, and any vacancies shall be filled by the sheriff or county judge/executive, or chief executive officer of an urban-county government, responsible for the appointment of the departing board member.

(5) The board shall elect a chairman from its membership and keep an accurate record of its proceedings.

(6) The board shall meet when a disciplinary matter concerning a deputy sheriff is brought to its attention or at other times at the discretion of the board, upon notification of its members.

(7) Three (3) members shall constitute a quorum in all matters which may come before the board.

(8) For the purpose of this section, "member of the immediate family" means a person's father, mother, brother, sister, spouse, son, daughter, aunt, uncle, son-in-law, or daughter-in-law.

SECTION 7. A NEW SECTION OF KRS CHAPTER 70 IS CREATED TO READ AS FOLLOWS:

(1) Each person serving as a deputy sheriff on the effective date of an ordinance that creates a deputy sheriff merit board for the county in which he serves shall, within one (1) year following the effective date of that ordinance, successfully complete at least four hundred (400) hours of training approved by the Kentucky Law Enforcement Council.

(2) Each person appointed as a deputy sheriff in a county that has adopted a deputy sheriff merit board before the date of his appointment shall, within one (1) year following the appointment, successfully complete at least four hundred (400) hours of training approved by the Kentucky Law Enforcement Council.

(3) A person failing to meet the requirements of this section shall forfeit his position as deputy sheriff immediately upon the expiration of the applicable one (1) year time limit.

SECTION 8. A NEW SECTION OF KRS CHAPTER 70 IS CREATED TO READ AS FOLLOWS:

(1) No deputy sheriff covered by the provisions of Sections 6 to 10 of this Act shall directly or indirectly solicit, receive, or be in any manner concerned in receiving, soliciting, or publicizing any assessment, gift, subscription or contribution to or for any political party or candidate for public office.

(2) No deputy sheriff covered by the provisions of Sections 6 to 10 of this Act shall be suspended, laid off, demoted, promoted, disciplined, threatened or in any way changed in duty or compensation for withholding or neglecting to pay or make contributions of any sort, either in money, goods, services, or anything of value for any political purpose. Nothing in this subsection shall limit the power of a sheriff to revoke the appointment of a deputy during the probationary period described in subsection (5) of this section.

(3) No deputy sheriff covered by the provisions of Sections 6 to 10 of this Act shall be a candidate for any public office. Any person who violates this subsection shall forfeit his position as deputy sheriff.

(4) Nothing contained in this section shall be construed to abridge the rights of any deputy sheriff with respect to his personal opinions, beliefs, or right to vote.

(5) A deputy sheriff's employment shall be probationary during the first year of service. A sheriff may, at his pleasure, revoke the appointment of a deputy who works for him at any time within one (1) year following the appointment.

SECTION 9. A NEW SECTION OF KRS CHAPTER 70 IS CREATED TO READ AS FOLLOWS:

(1) Any deputy sheriff may be removed, suspended, or laid off by the sheriff for any cause which will promote the efficiency of the department. Except when an appointment is revoked during the probationary period described in subsection (5) of Section 8 of this Act, the sheriff shall furnish the deputy with a written statement of the reason why the action was taken.

(2) Except for the revocation of an appointment pursuant to subsection (5) of Section 8 of this Act, every action in the nature of a dismissal, suspension, or reduction made by the sheriff shall be subject to review by the board at the request of any deputy sheriff affected by the provisions of Sections 6 to 10 of this Act.

(3) Any citizen who makes written charges of misconduct, under oath, concerning the actions of any deputy sheriff covered by the provisions of Sections 6 to 10 of this Act shall present the charges to the sheriff, who shall investigate the charges. The sheriff shall determine what action, if any, shall be taken against the deputy, subject to the limitations set out in Sections 6 to 10 of this Act. The citizen may appeal the determination of the sheriff to the board.

SECTION 10. A NEW SECTION OF KRS CHAPTER 70 IS CREATED TO READ AS FOLLOWS:

(1) The board may remove, suspend, lay off or discipline any deputy sheriff covered by the provisions of Sections 6 to 10 of this Act on written charges of misconduct preferred on its own initiative or the initiative of any citizen, but only after reasonable notice to the accused and after a complete public hearing at which the deputy accused shall have the right to be present, represented by counsel, and confronted by all of the witnesses preferring charges against him.

(2) Procedural due process shall be afforded to all deputy sheriffs by the board. The board shall notify the deputy promptly and in writing of any charges brought against him by the board or by a citizen. The board shall have the power to issue subpoenas and to compel the attendance of witnesses, and shall conduct the hearing, as far as possible, within the Kentucky Rules of Civil Procedure. Any deputy who is not given a hearing within sixty (60) days of any charge being preferred shall be reinstated in full.

(3) After a full public hearing by the board, the board shall retire into executive session to discuss the evidence introduced at the hearing and to make its determination and conclusion. The board in executive session shall not receive any further evidence or communication from any source, except for legal advice from the board's counsel, prior to reaching its determination and conclusion.

(4) When an appointment is revoked during the probationary period described in subsection (5) of Section 8 of this Act, the action of the sheriff shall be final. In all other disciplinary matters, the action of the sheriff or the board shall be final, except that any aggrieved person may, within thirty (30) days after the decision is rendered, appeal to the Circuit Court of the county in which the board meets. The board shall be named as respondent, and the county attorney shall represent the board before the court. The appeal taken to the Circuit Court shall be a review of record by the court.

(5) The provisions of Sections 6 to 10 of this Act shall not apply to any nonsworn employee appointed by the sheriff pursuant to KRS 70.030 or to any special deputy appointed by the sheriff pursuant to KRS 70.045.

Section 11. KRS 70.030 is amended to read as follows:

(1) The sheriff may appoint his own deputies, and may revoke the appointment at his pleasure *except where that revocation is prohibited by the provisions of Sections 6 to 10 of this Act*. Before any deputy executes the duties of his office, he shall take the oath required to be taken by the sheriff.

(2) The sheriff may appoint nonsworn clerical, technical, professional, and support personnel to assist him in the performance of the duties of his office. All nonsworn personnel shall serve at the pleasure of the sheriff.

(3) No sheriff whose county has adopted a deputy sheriff merit board under Section 6 of this Act shall appoint a deputy who is a member of the immediate family of the sheriff. The term ''member of the immediate family'' has the meaning given in Section 6 of this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 70 IS CREATED TO READ AS FOLLOWS:

Funds in the Kentucky Law Enforcement Foundation Program Fund may be utilized by the Department of Criminal Justice Training to reimburse counties, urban-counties, or charter counties with sheriffs' departments of five (5) or fewer officers for the cost of the base salary for each regular, full-time officer while the officer is obtaining the training required in Section 7 of this Act. The county, urban-county, or charter county shall show to the satisfaction of the Department of Criminal Justice Training that it will be placed in a situation of undue hardship if the funding is not provided. The secretary of the Justice Cabinet shall promulgate administrative regulations upon the recommendation of the Kentucky Law Enforcement Council to define what constitutes "undue financial hardship" and to otherwise implement this section."

"Section 5. KRS 18A.225 is amended to read as follows:

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service corporation, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is qualified under the requirements of the United States Department of Health, Education and Welfare except as provided in subsection (2) of this section; and

(b) The term "state employee" for purposes of this section shall mean a person, including an elected public official, who is regularly employed by any department, board, agency, or branch of state government, and who is a contributing member to any one (1) of the retirement systems administered by the state, provided, however, that any federally funded time-limited employee may receive insurance coverage. It shall also include a person who must fulfill the requirements established by the State Board for Elementary and Secondary Education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky Retirement Systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employee as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky Retirement Systems.

(2) The secretary of the Finance and Administration Cabinet, upon the recommendation of the commissioner of personnel, may procure, in compliance with the provisions of KRS 45A.080, 45A.085 and 45A.090, from one (1) or more health, hospitalization, medical, major medical, and dental insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health, hospitalization, medical, and major medical insurance or health maintenance organization coverage encompassing all or any class or classes of state employees. All state employees for whom such insurance or health maintenance organization coverage is provided shall annually be given an option to elect either standard insurance coverage or coverage by a health maintenance organization; except that if a qualified health maintenance organization is not engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of such employees reside, the state employees may annually be given the option to elect either standard insurance coverage or coverage by a health maintenance organization which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of such employees reside. The policy or policies shall be approved by the commissioner of insurance and may contain such provisions as he approves, whether or not otherwise permitted by the insurance laws. It is intended that either insurance or health maintenance organization coverage may be made available for state employees, except that the procuring of each is permissive.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the commissioner of personnel, may procure from one (1) or more dental insurance companies, one (1) or more health maintenance organizations, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom such dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage, health maintenance organization coverage, or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain such provisions as he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by the state or department, board, or agency; or

(c) Partly from each, except that any premium due for health maintenance organization coverage or prepaid dental plan coverage over the premium amount contributed by the state or department, board, or agency for any other insurance coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a health maintenance organization or of a prepaid dental plan organization, under which he has elected coverage, into either the service area of another health maintenance organization or prepaid dental plan organization or into an area of the state not within a health maintenance organization service area or prepaid dental plan service area, such employee shall be given an option, at the time of the move or transfer, to elect coverage either by the health maintenance organization or prepaid dental plan organization into which service area he moves or is transferred or to elect standard insurance coverage offered by the employer.

(6) No payment of premium by the state or department, board, or agency shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by the state or department, board, or agency shall be considered a proper cost of administration.

(7) The policy or policies may contain such provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and such other provisions as the commissioner of insurance may approve.

(8) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining insurance, prepaid dental plan organization coverage, and health maintenance organization coverage under the provisions of this section.

(9) Group rates under the insurance or health maintenance organization coverage acquired under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(10) The health insurance contract or contracts for state employees shall be entered into for a period of not less than two (2) years, except the contract awarded October 1, 1984, shall be awarded for the period between October 1, 1984, and June 30, 1986.

(11) The commissioner of personnel shall appoint twenty-four (24) persons to an advisory committee of state health insurance subscribers to advise the commissioner or his designee regarding the state health insurance program for state employees. The commissioner shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven Congressional districts, members representing state government from each of the seven Congressional districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments and three (3) members at large. The commissioner shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, and two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees. The advisory committee shall be appointed in November of each year and shall meet quarterly.

(12) The secretary of the Finance and Administration Cabinet and the commissioner of the Department of Personnel, in procurement of a policy or policies of health insurance or health maintenance organization coverage for state employees pursuant to this section, shall not discriminate among insurers or health maintenance organizations approved under this section in:

(a) The level of funding or reimbursement;

(4) (a) Net rents and royalties from real property located in this state are allocable to this state.

(b) Net rents and royalties from tangible personal property are allocable to this state if and to the extent that the property is utilized in this state; or in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, the tangible personalty is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(d) Net rents and royalties from intangible personal property located in this state are allocable to this state. For purposes of this section, royalties from property leased in Kentucky shall be considered as royalties from intangible personal property.

(5) (a) Capital gains and losses from sales or other dispositions of real property located in this state are allocable to this state.

(b) Capital gains and losses from sales or other dispositions of tangible personal property are allocable to this state if the property had a situs in this state at the time of the sale, or the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(c) Capital gains and losses from sales or other dispositions of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(6) Interest is allocable to this state if the taxpayer's commercial domicile is in this state.

(7) (a) Patent and copyright royalties are allocable to this state if and to the extent that the patent or copyright is utilized by the payer in this state; or if and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(b) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(c) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(8) ***Except as provided for in subsection (9) of this section,*** all business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales

factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used.

(a) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period; provided, however, that property which has been certified as a pollution control facility as defined in KRS 224.01-300 shall be excluded from the property factor.

1. Property owned by the taxpayer is valued at its original cost. If the original cost of any property is not determinable or is nominal or zero such property shall be valued by the cabinet under regulations promulgated by the cabinet. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals, provided that such rental and such subrentals are reasonable. If the cabinet determines that the annual rental or subrental rate is unreasonable, or if a nominal or zero rate is charged, the cabinet may determine and apply such rental rate as will reasonably reflect the value of the property rented by the taxpayer.

2. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the cabinet may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(b) The payroll factor is a fraction, the numerator of which is the total amount paid or payable in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid or payable everywhere during the tax period. Compensation is paid or payable in this state if:

1. The individual's service is performed entirely within the state; or

2. The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

3. Some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(c) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period. Sales of tangible personal property are in this state if:

1. The property is delivered or shipped to a purchaser, other than the United States government, or to the designee of the purchaser within this state regardless of the f.o.b. point or other conditions of the sale; or

2. The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government.

3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(9) *(a)* If the allocation and apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the cabinet may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

1.[~~(a)~~] Separate accounting;

2.[~~(b)~~] The exclusion of any one or more of the factors;

3.[~~(c)~~] The inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or

4.[~~(d)~~] The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(b) A taxpayer may elect the allocation and apportionment methods for the taxpayer's business income provided for in subparagraphs 1. and 2. of this paragraph. The election, if made, shall be irrevocable for a period of five years.

1. All business income derived directly or indirectly from the sale of management, distribution, or administration services to or on behalf of regulated investment companies, as defined under the Internal Revenue Code of 1986, as amended, including trustees, and sponsors or participants of employee benefit plans which have accounts in a regulated investment company, shall be apportioned to this state only to the extent that shareholders of the investment company are domiciled in this state as follows:

a. Total business income shall be multiplied by a fraction, the numerator of which shall be Kentucky receipts from such services for the tax period and the denominator of which shall be the total receipts everywhere from such services for the tax period.

b. For purposes of subdivision a. of this subparagraph, Kentucky receipts shall be determined by multiplying total receipts for the tax period from each separate investment company for which such services are performed by a fraction. The numerator of the fraction shall be the average of the number of shares owned by the investment company's shareholders domiciled in this state at the beginning of and at the end of the investment company's taxable year, and the denominator of the fraction shall be the average of the number of the shares owned by the investment company shareholders everywhere at the beginning of and at the end of the investment company's taxable year.

c. Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.

2. All business income derived directly or indirectly from the sale of securities brokerage services by a business which operates within the boundaries of any area of the Commonwealth, which on June 30, 1992, was designated as a Kentucky Enterprise Zone, as defined in KRS 154.655(2), shall be apportioned to this state only to the extent that customers of the securities brokerage firm are domiciled in this state. The portion of business income apportioned to Kentucky shall be determined by multiplying the total business income from the sale of these services by a fraction determined in the following manner:

a. The numerator of the fraction shall be the brokerage commissions and total margin interest paid in respect of brokerage accounts owned by customers domiciled in Kentucky for the brokerage firm's taxable year; and

b. The denominator of the fraction shall be the brokerage commissions and total margin interest paid in respect of brokerage accounts owned by all of the brokerage firm's customers for that year.

c. Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.

(10) Public service companies and financial organizations required by KRS 141.010(14)(b) to allocate and apportion net income shall allocate and apportion such income as follows:

(a) Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.

(b) Business income shall be apportioned to this state by multiplying the business income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used. The payroll factor shall be determined as provided in subsection (8)(b) of this section. The property factor and sales factor shall be determined as provided by regulations promulgated by the cabinet.

Section 3. The provisions of Section 1 of this Act shall apply to taxable years beginning after December 31, 1991. The provisions of Section 2 of this Act shall apply to taxable years beginning after June 30, 1992.

(3) In the case of officers compensated from fees, or partly from fees and partly by salary, the fiscal court shall fix the maximum compensation that any officer except the officers named in KRS 64.535 may receive from both sources. The fiscal court may also fix the maximum amount that the officer may expend each year for expenses of his office. The fiscal court shall fix annually the maximum amount, including fringe benefits, which the officer may expend for deputies and assistants, and allow the officer to determine the number to be hired and the individual compensation of each deputy and assistant.

(4) In the case of county officers elected by popular vote and the county attorney, in the event the fiscal court provides him a salary, the monthly compensation of the officer and of his deputies and assistants shall be fixed by the fiscal court, consistent with the provisions of subsection (3) of this section, not later than the first Monday in May in the year in which the officers are elected, and the compensation of the officer shall not be changed during the term but the compensation of his deputies or assistants may be reviewed and adjusted by the fiscal court not later than the first Monday in May of any successive year upon the written request of the officer. Section 20. KRS 230.300 is amended to read as follows:

(1) Any person desiring to conduct ***horse*** [~~thoroughbred~~] racing [~~and Appaloosa racing~~] at a ***horse*** [~~thoroughbred~~] race meeting within the Commonwealth of Kentucky or to engage in simulcasting and intertrack wagering as a receiving track during any calendar year shall first apply to the commission for a license to do so. (4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a ***horse*** [~~thoroughbred~~] race meeting at any track not specified therein. However, if the track specified becomes unsuitable for [~~thoroughbred racing or Appaloosa~~] racing because of flood, fire, or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of ***the*** [~~such~~] track willingly consents to the use thereof.

(5) ***Horse*** [~~Thoroughbred~~] racing dates may be awarded and licenses issued authorizing ***horse*** [~~thoroughbred~~] racing [~~and Appaloosa racing at a thoroughbred race meeting~~] on any day of the year. ***Horse*** [~~Thoroughbred~~] racing [~~or Appaloosa racing at thoroughbred race meetings~~] shall be held or conducted only between sunrise and midnight.

The license shall be valid at all ***horse*** [~~thoroughbred~~] race meetings in the Commonwealth during the period for which it is issued unless suspended or revoked under the ***administrative*** [~~rules and~~] regulations ***promulgated*** [~~prescribed~~] by the commission under this chapter. ***With respect to horse owners and trainers, the commission may promulgate administrative regulations to facilitate and promote uniform, reciprocal licensing with other states.***

Section 5. KRS 186.045 is amended to read as follows:

(1) ***When*** [~~Whenever~~] a perfected security interest is assigned, the assignor ***may*** [~~shall~~] immediately give a statement of assignment to the assignee and at the same time deliver another copy of the statement to the debtor. The assignee ***may*** [~~shall~~], within thirty (30) days thereafter, present a copy of the statement of assignment to the county clerk in whose office the security interest was noted on the certificate of title.

The failure of the assignor to give a statement of assignment to the assignee or the debtor or the assignee's failure to present a copy to the county clerk shall not affect the validity of the lien or its perfected status; but any person without notice of the assignment shall be protected in dealing with the assignor as the holder of the security interest. The assignor shall remain liable for any obligations as lienholder until the statement of assignment is provided to the assignee and the debtor and a copy thereof is presented to the county clerk and entered in the automated vehicle information system and the lien information system database. Upon receipt of the assignment, the county clerk shall mark the same as provided in subsection (2) of KRS 355.9-405 and attach it to the motor vehicle lien statement. The county clerk shall enter ***any*** [~~the~~] assignment of ***a*** [~~the~~] perfected security interest ***presented to the clerk*** into the automated vehicle information system***, and the lien information system database established by the Kentucky Lien Information Network pursuant to the provisions of Section 2 of this Act***. For this service the county clerk shall collect a fee pursuant to KRS 64.012.

(2) ***When*** [~~Whenever~~] a security interest has been discharged, other than by proceedings under KRS 355.9-501 to 355.9-507 or similar proceedings, the secured party shall, within ten (10) days thereafter, deliver a termination statement in the manner required by KRS 355.9-404 to the county clerk of the county in which the motor vehicle lien statement was submitted. The secured party shall also deliver a copy of the termination statement to the debtor or the debtor's transferee. For failure to file the termination statement within the allowable time, the secured party shall be subject to the penalty provided in KRS 186.990(1). Within five (5) days after the receipt of ***the*** [~~such~~] documents, the county clerk shall note the filing in the index, in language prescribed by the cabinet, that the termination statement has been filed ***and enter it into the lien information system database***. Upon presentation of the owner's title showing ***the*** [~~such~~] security interest to the county clerk where the termination statement was submitted, and with the copy of the termination statement submitted by the secured party, the clerk shall discharge the security interest by noting on ***the*** [~~such~~] title that the termination statement has been filed and place the seal of the county clerk thereon. The clerk shall return the owner's title to the owner. The county clerk shall then file the termination statement in the place from which the motor vehicle lien statement was removed. Termination statements ***shall*** [~~must~~] be retained in the clerk's files for a period of two (2) years subsequent to the date of filing ***the*** [~~such~~] statement, at which time they may be destroyed. The fee for these services is included in the ***fee for noting the original security interest on the certificate of title for one (1) motor vehicle pursuant to KRS 64.012*** [~~provisions of KRS 186A.190~~].

(3) Upon presentation of the owner's title showing ***the*** [~~such~~] security interest to the county clerk of a county where the termination statement was not delivered, the county clerk of that county shall access the automated system to determine whether a record of termination of the security interest has been entered into the automated system by the county clerk where the termination statement was delivered by the secured party as provided in KRS 186A.210. If ***the*** [~~such~~] record of termination has been entered into the automated system, the county clerk of the county where the termination statement was not delivered[~~,~~] shall note the discharge of the security interest on the certificate of title by noting that the termination statement has been delivered, the county where it was delivered, and placing the seal of the county clerk thereon and may rely on the automated system to do so. If ***the*** [~~such~~] record of termination has not been entered into the automated system, [~~in no case shall~~] the county clerk of the county other than where the termination statement was delivered ***shall not***[~~,~~] make any notation upon the certificate of title that the security interest has been discharged or that a termination statement has been delivered to the county where the motor vehicle lien statement was submitted.

(4) ***When*** [~~Whenever~~] any secured party repossesses a vehicle titled in this state, for which a security interest is in existence at the time of repossession, and disposes of ***the*** [~~such~~] vehicle pursuant to the provisions of KRS Chapter 355, he ***shall*** [~~must~~] present, within fifteen (15) days after ***the*** [~~such~~] disposition, an affidavit in form prescribed by the department and a termination statement or proof that ***the*** [~~such~~] termination statement has been filed. The new owner shall pay all applicable fees for titling and transferring the vehicle to the county clerk. Upon receipt of ***the*** [~~such~~] documents, the county clerk who issued the lien shall then omit from the title he makes application for any information relating to the security interest under which the vehicle was repossessed or any security interest subordinate thereto. However, any security interest, as shown by ***the*** [~~such~~] title which is superior to the one under which the vehicle was repossessed, ***shall*** [~~must~~] be

shown on the title issued by the clerk unless the prior secured party has discharged ***the*** [~~such~~] security interest in ***the*** [~~such~~] clerk's office or proof of termination is submitted in case ***the*** [~~such~~] prior security interest was discharged in another clerk's office.

(5) ***When*** [~~Whenever~~] any vehicle brought into this state is required to be titled in this state and ***the*** [~~such~~] vehicle is [~~then~~] subject to a security interest in another state as shown by the out-of-state documents presented to the clerk, the county clerk ***shall be*** [~~is~~] prohibited from processing the application for title on the vehicle unless the owner obtains from the secured party a financing statement or motor vehicle lien statement and presents ***it*** [~~same~~] to the clerk along with the fees required in KRS ***64.012*** [~~186A.190~~]. The clerk shall note the out-of-state security interest on the certificate of title. This provision ***shall*** [~~does~~] not apply to vehicles required to be registered in Kentucky under forced registration provisions under KRS 186.145.

(6) The fees provided for in this section are in addition to any state fee provided for by law.

(7) Any person violating any provision of this section or any person refusing to surrender a certificate of title registration and ownership or transfer certificate upon request of any person entitled thereto[~~,~~] is subject to the penalties provided in subsection (1) of KRS 186.990.

(8) The county clerk ***shall be*** [~~is~~] prohibited from noting any security interest on a certificate of title on any vehicle subject to the provisions of KRS Chapter 186A if a certificate of title therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner ***shall*** [~~must~~] see to it that a discharge is noted on the certificate of title for each security interest and [~~then~~] a duplicate title as provided for in KRS 186A.180 ***shall*** [~~must~~] be obtained from the clerk by the owner of the vehicle.

(9) Security interests in vehicles sold to or owned by residents of other states ***shall*** [~~must~~] be perfected in the state of ***the*** [~~such~~] nonresident and repossession of the vehicle ***shall*** [~~must~~] be taken pursuant to the laws of such state, unless the vehicle is principally operated in Kentucky and is properly titled [~~herein~~] under KRS Chapter 186A and the security interest is authorized to be noted on the certificate of title by the county clerk under KRS Chapter 186A.

Section 6. KRS 186A.190 is amended to read as follows:

(1) The perfection and discharge of a security interest in any property for which has been issued a Kentucky certificate of title shall be by notation on the certificate of title. The notation of the security interest on the certificate of title shall be in accordance with this chapter and remain effective until discharged under this chapter and KRS Chapter 186. The perfection of an assignment of a security interest which has been noted on the certificate of title shall be in accordance with the provisions of KRS 186.045(1).

(2) The notation of security interests relating to property required to be titled in Kentucky through the county clerk shall be done in the office of the county clerk of the county in which the debtor resides. If the debtor is other than a natural person, the provisions of KRS 355.9-401(5)(b) through (k) shall govern the determination of the county of the debtor's residence. If the debtor does not reside in the Commonwealth, the notation of the security interest shall be done in the office of the county clerk in which the property is principally situated or operated. Notwithstanding the existence of any filed financing statement under the provisions of KRS Chapter 355 relating to any property registered or titled in Kentucky, the sole means of perfecting and discharging a security interest in property for which a certificate of title is required by this chapter ***shall be*** [~~is~~] by notation on ***the*** [~~such~~] property's certificate of title. In other respects, the security interest ***shall be*** [~~is~~] governed by the provisions of KRS Chapter 355.

(3) Before ownership of property subject to a lien evidenced by notation on the certificate of title may be transferred, the transferor shall obtain the release of the prior liens in his name against the property being transferred. Once a security interest has been noted on the owner's title, no subsequent title ***shall*** [~~may~~] be issued by any county clerk free of ***the*** [~~such~~] notation unless the owner's title is presented to the clerk and it has been noted thereon[~~,~~] that the security interest has been discharged. If this requirement is met, information relating to any security interest shown on the title as having been discharged may be omitted from the title to be issued by the clerk.

(4) No more than two (2) active security interests ***shall*** [~~may~~] be noted upon a certificate of title.

(5) In noting a security interest upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was noted, the notation number and the county in which the security interest was noted. The clerk shall obtain the information required by this subsection for notation upon the certificate of title from the title lien statement described in KRS 186A.195 to be provided to the county clerk by the secured party.

(6) [~~In lieu of any and all fees prescribed by statute and~~] For all the costs incurred in the notation and discharge of a security interest on the certificate of title, the county clerk shall receive ***the fees prescribed in KRS 64.012. The fees*** [~~ten dollars and fifty cents ($10.50) of which seven dollars and fifty cents ($7.50) shall be retained by the clerk and three dollars ($3) transmitted to the State Treasurer. The fee prescribed by this subsection~~] shall be paid at the time of submittal of the title lien statement described in KRS 186A.195.

(7) A copy of the application[~~,~~] certified by the county clerk, indicating the lien will be noted on the certificate of title, shall be forwarded to the lienholder.

(8) The county clerk shall enter the information required by this chapter into the lien information database established by the Kentucky Lien Information Network pursuant to the provisions of Section 2 of this Act. Within two (2) business days following receipt of the information in the database, the officer maintaining the database shall send written notice confirming the receipt and reflecting all information received and included in the database to the security party of record or other lienholder.

Section 7. KRS 142.010 is amended to read as follows:

(1) The following taxes shall be paid:

(a) A tax of three dollars and fifty cents ($3.50) on each marriage license;

(b) A tax of three dollars ($3) on each power of attorney to convey real or personal property;

(c) A tax of three dollars ($3) on each mortgage, financing statement, [~~or~~] security agreement ***or notation of a lien or security interest on a certificate of title***;

(d) A tax of three dollars ($3) on each conveyance of real property; and

(e) A tax of three dollars ($3) on each lien or conveyance of coal, oil, gas or other mineral right or privilege.

(2) The tax imposed by this section shall be collected by each county clerk as a prerequisite to the issuance of a marriage license or the original filing of an instrument subject to the tax. Subsequent assignment of

the original instrument shall not be cause for additional taxation under this section. This section shall not be construed to require any tax upon a deed of release of a lien retained in a deed or mortgage.

(3) Taxes imposed under this section shall be reported and paid to the Revenue Cabinet by each county clerk within ten (10) days following the end of the calendar month in which instruments subject to tax are filed or marriage licenses issued. Each remittance shall be accompanied by a summary report on a form prescribed by the cabinet.

(4) Any county clerk liable for the taxes imposed by this section who fails to file a report and pay the tax to the cabinet on or before the due date shall, unless it is shown to the satisfaction of the cabinet that the failure is due to reasonable cause, pay a penalty equal to ten percent (10%) of the tax due. In every case, any tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until the date of payment.

(3) A filing which is made in the proper place in this state continues effective even though the debtor's residence or place of business or the location of the collateral or its use, whichever controlled the original filing, is thereafter changed.

(5) For the purposes of this section:

Section 10. KRS 355.9-403 is amended to read as follows:

(1) Presentation for filing of a financing statement and tender of the filing fee or acceptance of the statement by the filing officer constitutes filing under this Article.

(2) Except as provided in subsection (6) of this section a filed financing statement is effective for a period of five (5) years from the date of filing. The effectiveness of a filed financing statement lapses on the expiration of the five (5) year period unless a continuation statement is filed prior to the lapse. If a security interest perfected by filing exists at the time insolvency proceedings are commenced by or against the debtor, the security interest remains perfected until termination of the insolvency proceedings and thereafter for a period of sixty (60) days or until expiration of the five (5) year period, whichever occurs later. Upon lapse the security interest becomes unperfected, unless it is perfected without filing. If the security interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

(3) A continuation statement may be filed by the secured party within six (6) months prior to the expiration of the five (5) year period specified in subsection (2) of this section. Any such continuation statement must be signed by the secured party, identify the original statement by file number and date filed and state that the original statement is still effective. A continuation statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for five (5) years after the last date to which the filing was effective whereupon it lapses in the same manner as provided in subsection (2) of this section unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement. Unless a statute on disposition of public records provides otherwise, the filing officer may remove a lapsed statement from the files and destroy it immediately if he has retained a microfilm or other photographic record, or in other cases after one (1) year after the lapse. The filing officer shall so arrange matters by physical annexation of financing statements to continuation statements or other relating filings, or by other means, that if he physically destroys the financing statements of a period more than five (5) years past, those which have been continued by a continuation statement or which are still effective under subsection (6) of this section shall be retained.

(4) Except as provided in subsection (7) of this section a filing officer shall mark each statement with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy thereof for public inspection. In addition the filing officer shall*:*

(a) Index the statements according to the name of the debtor and shall note in the index the file number and the address of the debtor given in the statement***; and***

(b) Transmit the information contained in the statement together with the date and time of filing and file number thereof, no later than 4:30 p.m., prevailing local time, on the second business day following

filing, or any other time and day prescribed by administrative regulations of the Kentucky Lien Information Network Board, to the officer maintaining the database for inclusion in the database.

(5) The uniform fee for filing and indexing an original ***financing*** or a continuation statement shall be as provided for in KRS 64.012. This fee includes the fee for filing and indexing a termination statement and for sending or delivering the terminated instrument and financing statement.

(6) A real estate mortgage which is effective as a fixture filing under subsection (6) of KRS 355.9-402 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real estate.

(7) When a financing statement covers timber to be cut or covers minerals or the like (including oil and gas), other than coal, or accounts subject to subsection (5) of KRS 355.9-103, other than accounts arising out of the sale of coal, or is filed as a fixture filing, the filing officer shall index it under the names of the debtor and any owner of record shown on the financing statement in the same fashion as if they were the mortgagors in a mortgage of the real estate described, and, to the extent that the law of this state provides for indexing of mortgages under the name of the mortgagee, under the name of the secured party as if he were the mortgagee thereunder, or where indexing is by description in the same fashion as if the financing statement were a mortgage of the real estate described.

Section 11. KRS 355.9-404 is amended to read as follows:

(1) ***When*** [~~Whenever~~] there is no outstanding secured obligation and no commitment to make advances, incur obligations or otherwise give value, the secured party must on written demand by the debtor send the debtor, for each filing officer with whom the financing statement was filed, a termination statement to the effect that he no longer claims a security interest under the financing statement, and identify the original statement by file number and date filed. A termination statement signed by a person other than the secured party of record must be accompanied by a separate written statement of assignment signed by the secured party of record and complying with subsection (2) of KRS 355.9-405, including payment of the required fee. The uniform fee for filing and indexing such an assignment or statement thereof shall be three dollars ($3). If the affected secured party fails to file such termination statement as required by this subsection, or to send such a termination statement within ten (10) days after proper demand therefor he shall be liable to the debtor for one hundred dollars ($100), and in addition for any loss caused to the debtor by such failure.

(2) In the absence of a demand by the debtor for a statement of termination, and within fifteen (15) days after a secured transaction evidenced by record in the county clerk's or secretary of state's office has terminated, the secured party must file with each filing officer with whom the financing statement was filed a termination statement to the effect that he no longer claims a security interest under the financing statement or other instrument, which shall be identified by file number and date filed. If the actual secured party willfully fails to send such a termination statement within fifteen (15) days after he no longer claims a security interest, he shall be liable to the debtor for twenty-five dollars ($25), and in addition for any loss caused to the debtor by such failure.

(3) On presentation to the filing officer of such a termination statement he ***shall:*** [~~must~~]

(a) Note it in the index***; and***

(b) Transmit the information contained in the termination statement together with the date and time of filing no later than 4:30 p.m., prevailing local time, on the second business day following filing or any other time or day prescribed by administrative regulations of the Kentucky Lien Information Network Board, to the officer maintaining the database for inclusion in the database.
